The Stewards, having received a report from the FIA Technical Delegate, have considered the following matter, determine the following:

Fact: During pre-event scrutineering of car #332 (Can-Am, Maverick X3), the competitor could not present the original FIA Technical Passport

Offence: Breach of FIA International Sporting Code, Appendix J Art. 281.2.1.9 Appendix J.
Breach of FIA Cross-Country Sporting Regulations Art. 8.3

Decision: **To impose a fine of 500 €**

In accordance with Article 12.7 FIA International Sporting Code, the payment of the fines must be done online, within 48 hours of their notification, at the following address: <https://fiafines.fia.com>. Any delay in making payment may entail Suspension during the period a fine remains unpaid.

Reason: The representative of the competitor explained that the FIA Technical Passport got lost during the transport of the car. The Passport has been validated in Abu Dhabi and all necessary stickers are in place. Both was confirmed by the FIA Technical Delegate and the car has been identified.

The regulations are clear, the passport must be presented to the scrutineers when requested and the technical specifications declared must not be modified during the event.
