The Stewards, having received a report from the FIA Technical Delegate (Doc. 6.13), have considered the following matter, and after due deliberation determine the following:

Fact: One of the wheels carried on the vehicle was abandoned outside the Bivouac during Leg 3.

Offence: Breach of the article 51.4.1 of the 2022 CCR Sporting Regulations.

Decision: **5 Minutes time penalty for Leg 3**

Reason: During the control organized at the entry of the Bivouac at the end of the Leg 3, it appear that the car #283 had only 5 wheels. But this morning before leaving the Bivouac, the co-driver declared having 6 wheels.

Article 51.4.1 of the 2022 CCRSR states that *any wheel fitted on a vehicle or installed inside a vehicle during servicing must reach the next service park/Bivouac or the next Remote Service Zone. Under no circumstances should wheels/tires or parts be left inside or outside these zones.*

The Stewards conclude that this is breach of the regulations.

The decision is based on the FIA ISC Art 11.9.1, Art 11.9.3 f; Art 12.3.1; and Art 12.4.1.h.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
