*for the*

***24<sup>th</sup> International ADMV-Lausitz-Rally***

***from 4<sup>th</sup> to 6<sup>th</sup> November 2021***

As at: 9<sup>th</sup> October 2020

The Rallye-, Renn- & Wassersport-Club Lausitz e.V. as organiser of the 23<sup>rd</sup> International ADMV-Lausitz-Rally is aware of its responsibility towards the athletes, the teams, the helpers, the spectators and all institutions.

In view of the worldwide spread of the novel corona-/Covid-19 virus the following recommendations for action are therefore issued based on the recommendations of the federal government, the state government, the Corona Protection ordinance of Saxony – SächsCoronaSchVO – and the associated general decree for the district of Görlitz, the Robert Koch Institute as well as in coordination with the FIA and the DMSB.

**The Lausitz Rally will be held under 3G (vaccinated, recovered, or negative test) conditions for teams, team personnel and members of the organisation. For spectators the 2G option model will be applied.**

## 5. General guidelines

### 5.1 Symptoms

COVID-19 Symptoms mean fever, cough, shortness of breath, tiredness, headache, runny nose (rhinitis), sore throat (pharyngitis), loss of taste or smell, rash, and / or discoloration of fingers or toes.

If someone shows these symptoms, they have to stay at home or should they be there, they have to go to the COVID-19 tent for a further medical examination.

People with these symptoms are prohibited from visiting the areas where the rally takes place. These individuals must put themselves in self-isolation, quarantine, or isolation.

### 5.2. Definitions

**Profile 1 Participant:** Participants (any person) who must work in areas with a high density of people at an event location (e.g. rally headquarters, service park, rally control, evaluation, stewards, etc.)

**Profile 2 Participant:** Participants who only have to work in work areas with low density of people at an event location (areas with low density, e.g. marshals and radio stations, time control crews, timekeepers, fire departments, paramedics, doctors, security services, etc.)

The group refers to Profile 1 participants who are connected to a specific stakeholder or who work for a subcontractor or supplier of the stakeholder, but who only interact with Profile 1 of the stakeholder during the event.

Profile 2 Participants are not allowed to enter high density areas (Profile 1). The event is organised in such a way that contact between profile 1 participants and profile 2 participants is prevented during the event, e.g. marshals, timekeepers, etc. are not allowed to enter the rally headquarters.

**Pre-event test:** Profile 1 and 2 participants must send the self-disclosure form to the organiser by email or hand it over to the responsible person on site before entering the service park. If the participant has been tested, the molecular biological test (PCR test) must not be older than 72 hours and the antigen rapid test must not be older than 24 hours. If the event lasts for several days, the participant is obliged to be tested again. The participant is also obliged to provide proof of the information given on the self-disclosure form without being asked to do so (vaccination card, e-vaccination card, proof of test, proof of illness, etc.).

### 5.3 Behaviour rules

- Wash your hands more often than usual, use soap, water and paper towels, at

**DMSB**

least 20 seconds or use Hand sanitizer.

- Do not touch your face with your hands.
- Keep a distance of 1.5 meters from others.
- Please note all signs and markings relating to COVID-19!
- Try to shorten the contact time with others as much as possible.
- Avoid crowds.
- Hold hands, hug and similar close contact with others promote the spread of the virus and should be avoided.

The rally organiser requires all rally employees to use medical face masks when people gather in places where people could gather and it is not possible to keep a distance of 1.5 meters.

The organiser of the Lausitz rally suggests that the teams and the rally supervisory authorities refrain from meeting in person and instead move them to a digital environment or, if this is not possible, hold these meetings outside or in a well-ventilated and large area enough to keep them a safe distance from one another.

In the case of technical and administrative processes that are of crucial importance for the rally and people can get closer than 1.5 meters, the organiser requests that direct contact be limited to 15 minutes and that a medical face mask be used.

All personnel must send the self-disclosure form to the organiser by email or hand it over to the responsible person directly on site before entering their workplace. If staff have been tested, the molecular biological test (PCR test) must not be older than 72 hours and the rapid antigen test must not be older than 24 hours. If the event lasts for several days, the staff is obliged to be tested again. The staff is also obliged to provide proof of the information given on the self-disclosure form without being asked to do so (vaccination card, e-vaccination card, proof of test, proof of illness, etc.).

All rally employees are obliged to wear a bracelet when entering one of the event areas in which accreditation etc. takes place and to show this to the security staff without being asked and to adhere to the distance rules.

Bracelets must be worn in such a way that they are visible (on the wrist) throughout the event.

All persons involved in the event (participants, staff) must inform the person named by the organiser immediately if they have reason to believe that someone is sick, if

someone shows symptoms or if someone has a positive result in a COVID-19 test achieved.

If a person involved in the event falls ill with COVID-19 within 14 days of the event, this person must inform the organizer or the person named by the organizer immediately.

All persons involved in the event are requested to use the mobile application "**CoronaWarning App**" if possible.

## 6. Info for participants

On the official website of the rally [www.lausitz-rallye.de](http://www.lausitz-rallye.de) there is a separate section on the situation of COVID-19 as well as on the restrictions and recommendations.

The hygiene form, which is available on the website of the rally [www.lausitz-rallye.de](http://www.lausitz-rallye.de), must be submitted by every team or employee to the office responsible for them.

The organiser recommends that the teams create and follow their own internal hygiene protocol and limit the number of team members who come to Germany. (max. driver, co-driver, **6 service personnel**)

Every participant must report immediately if circumstances arise that could mean that they can no longer participate in the event. After that, the participant must follow the instructions of the COVID-19 doctor.

When competitors travel to Germany, they must be careful on their way to Boxberg/O.L. when it comes to social distancing and adhering to all hygiene protocols.

Participants are asked not to use local shops or catering facilities for no reason. When visiting local catering establishments, the organisers ask that all groceries be ordered in to-go containers and that food be consumed, for example, in the hotel room and not in the catering establishment.

Participants are required to use face masks when visiting any public place in the region (train, bus, shops, etc.).

The stakeholders ensure that the participants only leave with their group after the event.

With the respective armbands of the driver, co-driver and the service staff, they only have access to the service park. Access to the rally headquarters is prohibited for all participants. If necessary, please contact the Clerk of the course, Stewards of the meeting, scrutineers or Event director by phone.

## 7. Service park

Only 6 people (service staff), driver and co-driver per team have access to the service park. Furthermore, they must be equipped with certain ID cards and wristbands.

Each team receives an allocated area from the service park staff.

Access to the service area is only possible via the service area point.

The service area is completely fenced and has 3 gates that are closed or guarded by security personnel.

Information on restrictions and the hygiene protocol is available at the entrance. The wearing of the protective medical mask is mandatory whenever the team members leave their area or it is not possible to maintain a safety distance of 1.5 meters.

The employees in the service area (driver, co-driver, service staff) must bring their own personal protective equipment (medical masks, face protection, gloves, hand and surface disinfectants).

In the service park there are water, soap and paper towels for hand washing as well as hand disinfectants in the toilets as well as in the washrooms and shower rooms. The toilets, washrooms and shower rooms are cleaned and disinfected regularly.

The distance regulations to the other teams must be observed.

There are closed waste bins in the service park.

It is recommended that the teams set up the dining areas in their team tents in such a way that social distance is maintained, and it is recommended that you limit the number of people in the area at one time by creating schedules for the dining area with disposable dishes and utensils.

There is no public access, the service area is closed to spectators - access is only permitted to participants, officials and the primarily accredited media.

**DMSB**

The participants are obliged to inform the organizer of a COVID-19 illness up to 15 days after the event.

- a) If no one shows COVID-19 symptoms within 15 days after the event in accordance with the privacy policy, will be deleted all sensitive data after 4 weeks (name, first name, telephone number etc.) including the data on the inputs and outputs and from the areas by the organiser.
- b) If one or more team members have symptoms, we will ask to contact the organizer and the recorded dates are forwarded to the health department to prevent the spread of the COVID-19 virus. At the same time the other team members will be asked to contact their doctor if should give them symptoms occur. At the end of this process, all the data we own will be deleted

## 8. Issuing of the documents for the Reconnaissance

Participants and officials may only enter the premises with medical face masks and use handdisinfectants.

All participants and officials must keep a distance of 1.5 meters. The organiser sets the number of team members when issuing the departure documents to 2 people. (Driver and co-driver)

Each team has its own time for issuing the departure documents. The total time for the issuing should not be more than 5 minutes.

Each participant has to bring his own pen for his signature.

The entire process of issuing documents for the recce takes place via a one-way route This means that the teams will not meet.

Entrances and exits to the premises and checking the number of people in the room when the departure documents are issued are monitored by a security service or an employee of the organiser.

The physical distance between the participants is supported by markings on the floor. It is forbidden to have unauthorized persons in the room.

### 8.1. Equipment for the issue of documents for the reconnaissance

## 9. Reconnaissance

The recce takes place with the team that is in a vehicle. Only the two team members of the crew are allowed to be in the vehicle.

During recce, it is recommended that competitors do not use local catering facilities if they have a large number of visitors.

It is recommended that competitors take their meals with them, or buy them, in disposable tableware, instead of having meals in local catering facilities.

Organiser obliges all competitors, when visiting local stores or catering facilities, to wear a face mask.

## 10. Time- and transit controls

Time cards must be handed in to the officials by maintaining social distancing as much as possible.

If competitors exit their vehicle at time control point's mouth and nose must be covered with a face mask or balaclava, the same rules are a must for other team members in those zones.

The staff must work with disposable gloves and wear mouth and nose protection if

social distance is not adhered to.

## 11. Administrative checks and issuing of GPS devices

Before entering the room, every participant and official will have their temperature measured with a non-contact thermometer.

Competitors and officials can only enter the rooms with a face mask and they have to use hand sanitiser.

All competitors and officials must keep a distance of 1.5 meters. The organizer sets the number of team members when issuing documents to 2 people (driver and co-driver).

Each crew will have their own time for administrative checks, and the whole process, including receiving the GPS tracker, needs to be done in no more than 15 minutes.

Every participant has to bring his pen for his signature.

The teams must provide the organiser with all the documents in advance so that the time for document acceptance is as short as possible. The entire process of administrative checks is a one-way route, which means that the teams cannot meet.

Entrances and exits to the premises and checking the number of people in the room for the administrative checks including the issuing of the GPS tracking devices are monitored by a security service or an employee of the organiser.

**DMSB**

## 28.4 Catering staff

The catering staff must be measured daily before work begins and their hands must be disinfected before entering the premises.

The catering staff must wear the face mask in closed rooms. Disposable gloves must be worn when handling food.

A one-way system will be set up in the premises.

When handing out the catering and preparing the packed lunches, mouth and nose protection and disposable gloves must be worn.

There is a spit guard when the catering is handed out, there will be no self-service.

After each passage of the individual groups, all surfaces (table, chairs, toilets, etc.) must be disinfected.

**DMSB**

Hand disinfectant, soap and paper towels are available in the anteroom of the separate toilets.

## 29. Actions in case of a possible illness

Anyone who notices COVID-19 symptoms during the event should adhere to the following rules:

- Cancel any work immediately
- Immediately inform the chief rally doctor about the symptoms by telephone.
- Keep a safe distance of 3 meters from all other people
- Take the shortest route to the COVID-19 tent, where the appropriate medical staff will handle the case.
- If the situation requires further medical help, the doctor will organize the COVID-19 tent the next steps.

The medical staff can be reached by telephone at

**+49 170 / 2 96 11 85**

**DM Steffen Strube – Chief Medical Officer**

**+49 35774 / 48 95 79**

**RHQ**

when symptoms of illness appear.

If laboratory tests are necessary, the following laboratory is responsible after prior agreement with the organizer:

Medizinisches Labor Ostsachsen MVZ-GbR  
Cottbusser Straße 11  
02826 Görlitz

The sample is immediately forwarded to the laboratory by courier.

The organiser has further contacts.

## 30. Rescue workers

Rescue workers are ambulances with paramedics, MIC vehicles with staff, rescue doctors and fire brigades with emergency services.

They are independent groups who measure the hygiene self-assessment, the daily fever and are responsible for keeping the personnel register and handing it over to the organizer.

The rescue workers are responsible for complying with the hygiene regulations.

## 31. Spectators

### 31.1 Spectators

Tickets will be sold via an online ticket vendor for each individual spectator point approx. 10 days before the event.

The spectators will be directed to a separate area on the B 156 to exchange the ticket for a wrist strap for the purchased spectator point.

The viewer has to give his hygiene self-assessment to the organiser to exchange the tickets, then he gets his wristband for the viewer point.

A large tent has been set up there, where tickets can be exchanged at several counters.

The sale of tickets for the spectator points will take place in 4 stages.

- Stage 1 - spectator point on Thursday afternoon
- Stage 2 - spectator point on Friday afternoon
- Stage 3 - spectator points on Saturday morning
- Stage 4 - spectator points on Saturday afternoon

The person register lists for the individual viewer points are also kept there.

The spectators have to bring their own pen.

Entry into the tent is only permitted for people who can show a valid ticket. When entering, the audience will have a fever, the spectators have to wear a mouth and nose mask and disinfect their hands.

The safety distance of 1.5 meters must be observed.

The spectator points along the route are signposted and marked off with barrier tape. The area was precisely measured and, taking into account the safety distance regulation of 1.5 meters, the number of visitors was then determined for each individual spectator point.

There will be control personnel on the way to the individual spectator points, so that only those people who can show the appropriate bracelet can access the spectator point.

Only as many tickets are sold for each individual spectator point as the safety distance regulation of 1.5 meters allows.

The spectators must wear a face mask at the spectator points if the social distance of 1.5 meters is not observed.

All public stationary toilets have water, soap and paper towels for hand washing as well as hand disinfectants. These are continuously cleaned and disinfected by the responsible staff as required.

Hand disinfectant dispensers and toilet paper are available in all portable DIXI toilets. These are continuously cleaned and disinfected by the responsible staff as required.

The 11 spectator points are stocked with the corresponding number of DIXI toilets, depending on the ticket sales. The toilets are divided into men and women.

The spectators are obliged to inform the organiser of a COVID-19 illness up to 15 days after the event.

- a) If no one has COVID-19 within 15 days of the event symptoms shows, in accordance with the privacy policy will be the organiser delete all sensitive data after 4 weeks (name, first name, telephone number etc.) including the data on the inputs and outputs and from the areas.
- b) If the spectator has symptoms, we will ask them to do so contact the organiser and the recorded data will be sent to the Health Department forwarded to the spread of the COVID-19 virus prevent. At the same time, the other group members become it asked to contact your doctor if you experience symptoms. At the end of this process, all data we have will be deleted.

### 31.2 Staff

When entering the tent, staff must wear a mouth and nose mask and disinfect their hands. The staff has a fever measured daily.

The personnel in the tent are protected by a spit guard at the counters and must disinfect the surfaces (tables, chairs, etc.) after each passage or if necessary.

The control staff at the spectator points must wear a mouth and nose mask and disposable gloves.

The toilets at the spectator points and on the tent are equipped with disinfectants and are regularly disinfected with surface disinfection by the organiser's staff.

Contact to the rally headquarters is only possible by telephone.

## 32. Rules and regulations

Nothing in this COVID-19 code is intended to prevent the following rules from applying:

- The rules and regulations that govern the event, as well as everyone else rules that are specific to the competition in question, or apply otherwise.
- The international, national and local applicable to the event laws and regulations, including those related to laws and regulations on COVID-19
- The applicable rules and laws take precedence over the COVID-19 code.
- All security measures and all other security requirements have priority over the requirements of the COVID-19 code.

In Anerkennung der Notwendigkeit besonderer Maßnahmen im Hinblick auf die COVID-19-Pandemie, in Erwägung, dass der Zugang zur Lausitz-Rallye im Rahmen der FIA European Rally Trophy 2020 (Lausitz Rallys) gewährt wird, erkennt die unterzeichnete Partei (Stakeholder) Folgendes an und stimmt zu:

1. Vorbehaltlich des nachstehenden Absatzes 5 verpflichtet sich der Stakeholder, an den von der FIA herausgegebenen COVID-19-Verhaltenskodex zu halten. Dies gilt auch Bezug auf alle Mitarbeiter, Auftragnehmer, Vertreter, Berater oder andere Personen, die der Stakeholder aus irgendeinem Grund zur Lausitz Rally entsendet (jeweils ein Teilnehmer).
2. Der Stakeholder verpflichtet sich, Teilnehmer nur zur Lausitz Rally zu schicken, die:
  - 2.1. **Fit to Attend** (wie dieser Begriff im COVID-19-Verhaltenskodex definiert ist) sind.
  - 2.2. eine Kopie des als Anhang 1 beigefügten Formulars (die Teilnehmerverpflichtung) unterzeichnet und dem COVID-19-Delegierten eine Kopie des unterzeichneten Formulars zur Verfügung gestellt haben.
3. In dem Umfang, in dem der Stakeholder Verträge oder Unterverträge mit Dritten abschließt, um Personen zu Lausitz Rallys zu entsenden, wird der Stakeholder sicherstellen, dass jeder dieser Dritten ebenfalls eine Stakeholder-Verpflichtungserklärung in der gleichen Form wie diese unterzeichnet und sie zusammen mit den von jeder dieser Personen unterzeichneten Teilnehmerverpflichtungen an den Stakeholder zurücksendet. **Stakeholder Commitment to Comply with the COVID-19 Code of Conduct**

Acknowledging the need for special measures in light of the COVID-19 pandemic, in consideration for being granted access to the Lausitz Rally staged as part of the 2020 FIA European Rally Trophy (Lausitz Rallys), the undersigned party (the Stakeholder) acknowledges and agrees as follows:

1. Subject only to clause 5 below, the Stakeholder agrees to be bound by and undertakes to comply in all respects with the COVID-19 Code of Conduct issued by the FIA in respect of any and all employees, contractors, agents, representatives, consultants, or other individuals that the Stakeholders sends to a Lausitz Rally for any purpose (each, an Attendee).
2. The Stakeholder agrees only to send Attendees to Lausitz Rally that:
  - 2.1. are **Fit to Attend** (as that term is defined in the COVID-19 Code of Conduct).
  - 2.2. have signed a copy of the form attached as Schedule 1 hereto (the Attendee Commitment), and a copy of the signed form has been provided to the COVID-19 Delegate.
3. To the extent that the Stakeholder contracts or sub-contracts with any third parties to send individuals to Lausitz Rally, the Stakeholder will procure that each of those third parties (its contractors/sub-contractors) also signs a Stakeholder Commitment in the same form as this one, and returns it to the Stakeholder together with Attendee Commitments signed by each of those individuals. The Stakeholder will check the Stakeholder Commitment(s) and the Attendee Commitments received from such third parties upon receipt to ensure that they have been properly completed (i.e., names and dates of signature inserted) and signed. - (a) sie anfordert (in diesem Fall wird der Stakeholder sie der FIA oder dem Veranstalter zustellen); oder
- (b) den Stakeholder auffordert, sie zu vernichten (in diesem Fall wird der Stakeholder sie unverzüglich vernichten und der FIA oder dem Veranstalter schriftlich bestätigen, dass er dies getan hat).

4. Wenn der Stakeholder einen Vertrag mit dem Veranstalter hat, stimmt er zu, dass diese Stakeholder-Verpflichtung eine gültige und verbindliche Ergänzung zu diesem Vertrag darstellt und dass im Falle eines Konflikts zwischen diesem Vertrag und dieser Stakeholder-Verpflichtung diese Stakeholder-Verpflichtung Vorrang hat.

5. Zwischen dem Stakeholder und der FIA findet Artikel 4.4 des Verhaltenskodex keine Anwendung. Wenn es derzeit einen Vertrag zwischen der FIA und dem Stakeholder gibt, der Streitbeilegungsbestimmungen (einschließlich gesetzlicher und gerichtlicher Bestimmungen) enthält, gelten diese Bestimmungen im Falle von Streitigkeiten. Ist dies nicht der Fall, so gelten im Streitfall folgende Bestimmungen:

- 5.1. Diese Stakeholder-Verpflichtung (einschließlich aller Ansprüche oder Kontroversen, die sich aus oder im Zusammenhang mit ihm oder dem COVID-19-Verhaltenskodex ergeben) unterliegt ausschließlich französischem Recht und wird in Übereinstimmung mit diesem Recht ausgelegt, ohne Rücksicht auf Kollisionsnormen, die die Anwendung von Gesetzen einer anderen Gerichtsbarkeit vorschreiben könnten.

- 5.2. Alle Streitigkeiten, die sich aus oder im Zusammenhang mit dieser Stakeholder-

Stakeholder Commitment(s) and the Attendee Commitments safely and securely until the Organiser or FIA either

- (a) requests them (in which case the Stakeholder will deliver them to the FIA by return); or
- (b) asks the Stakeholder to destroy them (in which case the Stakeholder will destroy them without delay and will provide written confirmation to the FIA that it has done so).

4. If the Stakeholder has a contract with the organiser, it agrees that this Stakeholder Commitment constitutes a valid and binding supplement to that contract, and that in case of conflict between that contract and this Stakeholder Commitment, this Stakeholder Commitment shall prevail.

5. As between the Stakeholder and the FIA, Article 4.4 of the Code of Conduct shall not apply. Instead, if there is currently a contract between the FIA and the Stakeholder that contains dispute resolution provisions (including governing law and jurisdiction provisions), those provisions will apply in the case of any dispute. If not, the following provisions shall apply in the case of any dispute:

- 5.1. This Stakeholder Commitment (including any claim or controversy arising out of or relating to it or to the COVID-19 Code of Conduct) shall be exclusively governed by, and construed in accordance with, French law, without regard to any conflict of law principles that could mandate the application of laws of another jurisdiction.

- 5.2. All disputes arising out of, or in connection with, this Stakeholder Commitment

Verpflichtung und/oder dem COVID-19-Verhaltenskodex ergeben, werden der ausschließlichen Gerichtsbarkeit des Tribunal Judiciaire de Paris unterstellt.

6. Beschließt der COVID-19-Delegierte aus irgendeinem Grund, dass ein Teilnehmer des Stakeholders aus der Lausitz-Rallye ausgeschlossen und ihm der Zugang zur Lausitz-Rallye verwehrt werden soll, so muss diese Entscheidung unverzüglich vom Stakeholder und dem Teilnehmer ohne Anfechtung akzeptiert und umgesetzt werden. Die Weigerung die Lausitz Rally zu verlassen ist eine Rechtsverletzung, für die eine Entschädigung geltend gemacht werden kann.

and/or the COVID-19 Code of Conduct shall be submitted to the exclusive jurisdiction of the Tribunal Judiciaire de Paris.

6. Where the COVID-19 Delegate decides for any reason that an Attendee of the Stakeholder should be ejected from and denied any further access to a Lausitz Rally, that decision must be accepted and implemented immediately by the Stakeholder and the Attendee without challenge, save that any claim that such ejection and denial of access is a breach of rights for which compensation should be paid may be pursued in accordance with this commitment.

## Preventing infections:

# The Top Ten tips for hygiene

We encounter many germs such as viruses and bacteria in everyday life. Simple hygiene precautions can help to protect ourselves and others from infectious or contagious diseases.

### 1. Wash your hands regularly

- ▶ After you come home
- ▶ Before and while you are preparing food
- ▶ Before meals
- ▶ After visiting the toilet
- ▶ After blowing your nose, coughing or sneezing
- ▶ Before and after contact with sick persons
- ▶ After contact with animals

### 3. Keep your hands away from your face

- ▶ Don't touch your mouth, eyes or nose with unwashed hands

### 5. If you are ill, stay away from others

- ▶ Rest and recover at home
- ▶ Avoid close contact with others while you are infectious
- ▶ Stay in a separate room and, where possible, use a separate toilet
- ▶ Do not share tableware or towels with other people

### 7. Keep your home clean

- ▶ Regularly clean your kitchen and bathroom in particular with household detergents
- ▶ Ensure cleaning cloths can dry out properly after use and replace them often

### 9. Wash tableware and clothing using a hot cycle

- ▶ Clean cutlery and kitchen utensils with hot water and a detergent - or in the dishwasher
- ▶ Wash dishcloths, cleaning cloths, hand towels, flannels, bedclothes and underwear at a minimum of 60 °C

### 2. Wash your hands thoroughly

- ▶ Hold your hands under running water
- ▶ Apply soap from all sides
- ▶ Rub hands for around 20 to 30 seconds
- ▶ Rinse off under running water
- ▶ Dry off using a clean towel

### 4. Cough or sneeze properly

- ▶ Keep your distance and turn away from others when coughing and sneezing
- ▶ Use a paper tissue or hold the crook of your arm in front of mouth and nose

### 6. Protect wounds

- ▶ Cover wounds with a plaster or bandage

### 8. Handle food hygienically

- ▶ Always keep susceptible food well refrigerated at all times
- ▶ Keep raw animal products away from food that is usually eaten raw
- ▶ Cook meat at a minimum of 70 °C
- ▶ Scrub fruit and vegetables thoroughly

### 10. Ventilate rooms often

- ▶ Ventilate enclosed spaces several times a day for a few minutes

# Infektionen vorbeugen: Richtig Hände waschen schützt!

Um Krankheitserreger zu entfernen,  
waschen Sie Ihre Hände gründlich.

**Das gelingt in fünf Schritten:**

**1**

## Nass machen

Hände unter fließendes  
Wasser halten.

**2**

## Rundum einseifen

Hände von allen Seiten  
einschäumen.

**3**

## Zeit lassen

Gründliches Einseifen  
dauert 20 bis 30 Sekunden.

**4**

## Gründlich abspülen

Hände unter fließendem  
Wasser abwaschen.

**5**

## Sorgfältig abtrocknen

Hände mit einem sauberen  
Tuch trocknen.
