Subject: STEWARDS DECISION No. 12 **Document No:** 2.13

From: The Stewards
To: All competitors / crew members

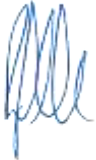

The Stewards received a report from the Clerk of the Course regarding an incident causing car No. 60 to be delayed on the liaison section before TC8, which caused them to be late in reaching the special stage start. The crew of car No. 60 stopped to assist the crew of car No. 82, which was on fire.

The Stewards studied the tracking data that showed car No. 60 was indeed stopped at this location for approximately 20 minutes, thus not leaving them with enough time to reach TC8.

Under the above circumstances, the Stewards

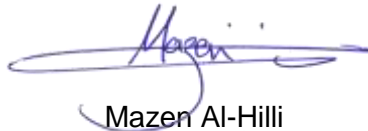

DECIDE

to waive the road penalties for lateness at TC8 for the crew of car No. 60.
