

SAFARI RALLY KENYA 2021

Date: 25.6.2021 **Time:** 10:10 hrs
Subject: STEWARDS DECISION NO. 5 **Document No:** 2.6

To: The Competitor CARL TUNDO of car No. 25
Crew CARL TUNDO / TIMOTHY JESSOP

The Stewards, having received a report from the FIA Deputy Technical Delegate, summoned the representative of the above competitor/driver, have considered the following matter and determine the following:

Facts The tyres fitted on car during the Shakedown were not supplied by the FIA-nominated tyre company for this rally and were not presented to the supplier before pre-rally scrutineering for barcode and RFID checking.

Offence Art. 13.2.1 of the 2021 FIA WRC Sporting Regulations.

Decision Reprimand

Reason The Stewards heard from the competitor's representative, Ken Skidmore, Service/Assistant Manager, at 9:20 hrs on Friday, June 25th.

Mr. Skidmore admitted that this was their mistake and apologized for it. Their plan was not to drive the Shakedown but as they were included in the Start List for Shakedown, they were required by the organiser to do at least one run. This is what they did at slow speed. The tyres the competitor used during the Shakedown were Pirelli K4 that were bought for Equator Rally run in April 2021.

The competitor's intention was that they would use only 22 tyres, which is the maximum quantity for non-WRC competitors not taking part in the Shakedown.

As there was no advantage for the competitor, the Stewards consider the penalty of Reprimand to be appropriate.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the 2021 FIA International Sporting Code and Chapter 4 of the 2021 FIA Judicial and Disciplinary Rules.
