Who are we?

17th TechNet Conference
Panama City, Panama | October 16-19, 2023

We are TechNet!

We are TechNet!

TechNet is a **global network** of more than 5,000 immunization professionals.

Our goal is to improve immunization services by bringing together immunization stakeholders:

- at **every level**
- in **every country**
- from **every sector**.

But more on the **Power of the Network** tomorrow.

But... who are we?

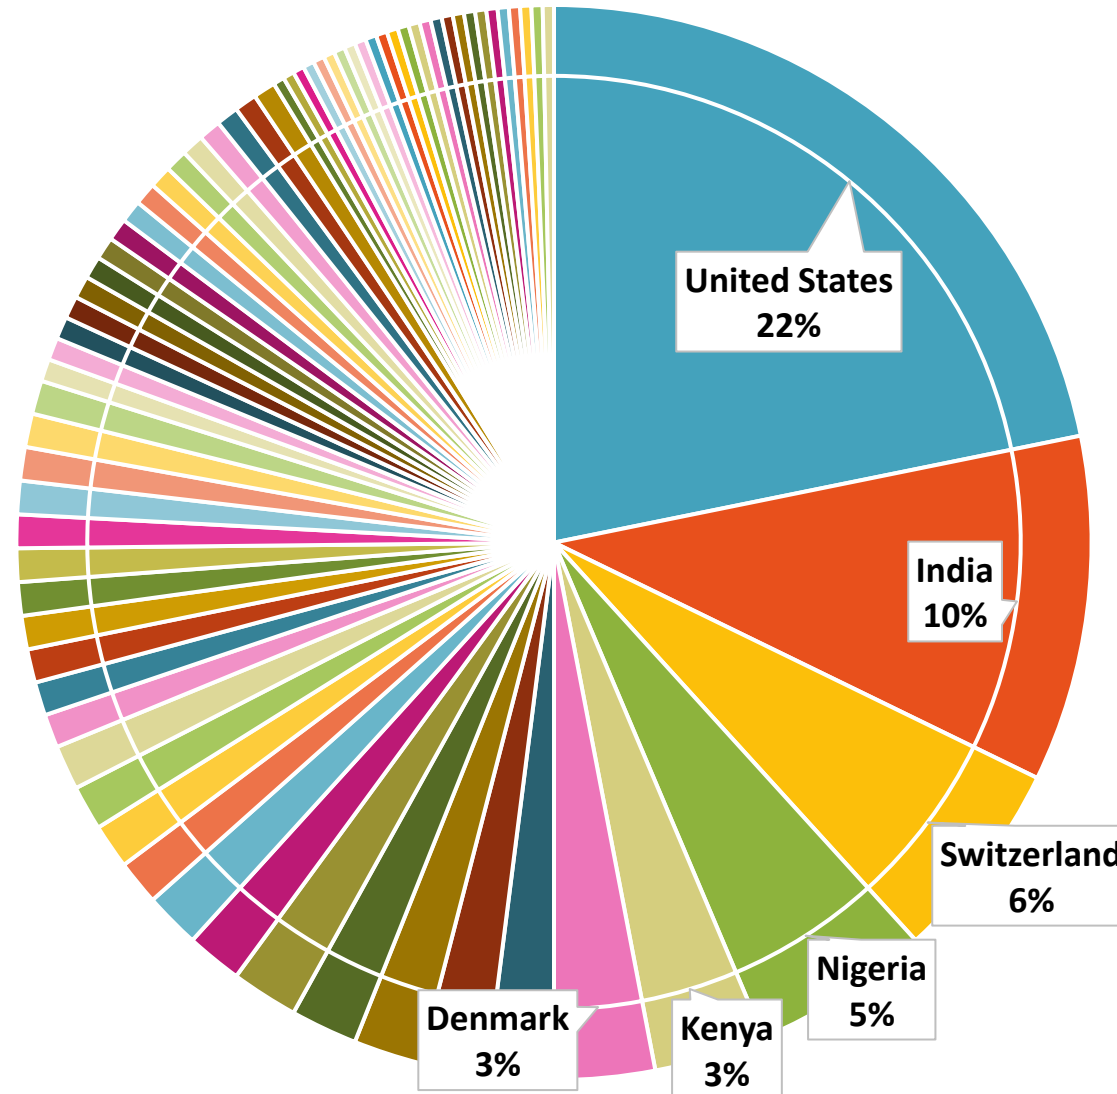

17th TechNet Conference
Panama City, Panama | October 16-19, 2023

In the room

There are 300 people in this auditorium.
Who are we?

Participants by country of residence

What is going on?!

17th TechNet Conference
Panama City, Panama | October 16-19, 2023

Plenary and breakout sessions

The agenda is composed of:

- **Plenary sessions**
 - Take place at the beginning and end of each day
- Sets of three **breakout sessions**
 - Participants can choose which of the three to attend
 - Take place before and after lunch
 - Each breakout is 50 minutes in length

Types of event

Complementing the **plenary** and **breakout** sessions, the conference will host many other types of event.

Innovations Café	<p>A space for showcasing innovative tools, technologies, and systems for strengthening immunization programmes and supply chains. During these 30-minute sessions, the developers of each innovation will be present to demonstrate and discuss them with participants.</p> <p>For information on when each session will take place, please refer to the day-by-day agenda. More detailed information, including session descriptions and presenter details, can be found on page 26.</p>	TechNet Clinic	<p>Learn how to get the most out of the TechNet-21 website and find out what solutions we can offer to promote your work. Please stop by if you do not yet have a TechNet account, if you need help with our website, if you have any feedback, or want to discuss ideas for new projects and partnerships.</p> <p>The TechNet Clinic will be open during the Conference Registration and also at other times throughout the week. Exact times can be found in the day-by-day agenda or on page 39.</p>
Poster Gallery	<p>A gallery displaying more than 40 posters on a wide variety of immunization-related topics, including research, lessons-learned and evidence of pilot projects in countries. The Poster Gallery will be open whenever plenary sessions are not taking place.</p> <p>At designated times, certain posters will be presented by their authors. For information on when each poster will be presented, please refer to the day-by-day agenda. More detailed information, including presenter details, can be found on page 30.</p>	Video Gallery	<p>A selection of immunization-related videos shared by participating organisations will be played on a large flatscreen TV in the Poster Gallery. Videos will play on a loop each day and a list of all videos will be displayed alongside the TV. Bring popcorn!</p>
Manufacturers Marketplace	<p>For manufacturers of WHO PQS-prequalified products to showcase their latest products, enabling participants to interact directly with companies, innovators, and their products.</p> <p>The Manufacturers Marketplace will be open whenever plenary sessions are not taking place. A full list of participating manufacturers can be found on page 36.</p>	Resource Library	<p>This area will enable organizations represented at the conference to share hardcopies of recent immunization-related publications with participants. Please drop by and pick up anything that interests you.</p>

Innovations Café

An informal space for showcasing **innovative tools, technologies, and systems** for strengthening immunization programmes and supply chains. During these 30-minute sessions, experts will demonstrate and discuss their innovations with participants.

Innovations will be presented before the morning plenary, as well as during lunch and coffee-breaks. Refer to the Conference Guide for times.

Poster Gallery

More than 50 posters will be displayed in the Poster Gallery.

The Poster Gallery will be open throughout the conference.

20 posters will be presented by their authors each morning, as well as during lunch and coffee-breaks. Refer to the Conference Guide for times.

17th TechNet
Conference

Poster Gallery

Manufacturers Marketplace

Manufacturers Marketplace

The following companies will be represented at the Manufacturers Marketplace.

27 manufacturers of WHO PQS-prequalified products will showcase their latest products, enabling participants to interact directly with companies, innovators, and their products.

Opening times:

- Tuesday 10:15-16:15
- Wednesday 10:15-16:15
- Thursday 09:00-11:20

TechNet Clinic

17th TechNet
Conference

TechNet Clinic

Learn how to get the most out of the TechNet-21 website and find out what solutions we can offer to promote your work. Stop by if you do not yet have a TechNet account, if you need help with our website, if you have any feedback, or want to discuss ideas for new projects and partnerships.

Opening times:

- Tuesday 13:15-13:45
- Wednesday 13:15-13:45

Or speak to Dan, Alex, or Gigi informally...

Video Gallery

A selection of short immunization-related videos shared by participating organisations will be played on a large flatscreen TV in the Poster Gallery.

Videos will play on a loop each day and a list of all videos will be displayed alongside the TV.

Resource Library

This area will enable organizations represented at the conference to share hardcopies of recent immunization-related publications with participants.

Please drop by and pick up anything that interests you.

Language and interpretation

All plenary sessions will be in English.

All breakouts will also be in English (except for two, which will be in Spanish).

French, Spanish, and Portuguese interpretation will be available for:

- All plenary sessions
- All breakout sessions taking place in the main auditorium

Please return all equipment!

Live-streaming

All plenary presentations, including the opening and closing ceremonies, will be streamed live on the TechNet-21 website and on YouTube.

Recording of presentations, including interpretation, will be published on YouTube once the conference has ended.

How can I keep up to date and connect with other participants?

17th TechNet Conference
Panama City, Panama | October 16-19, 2023

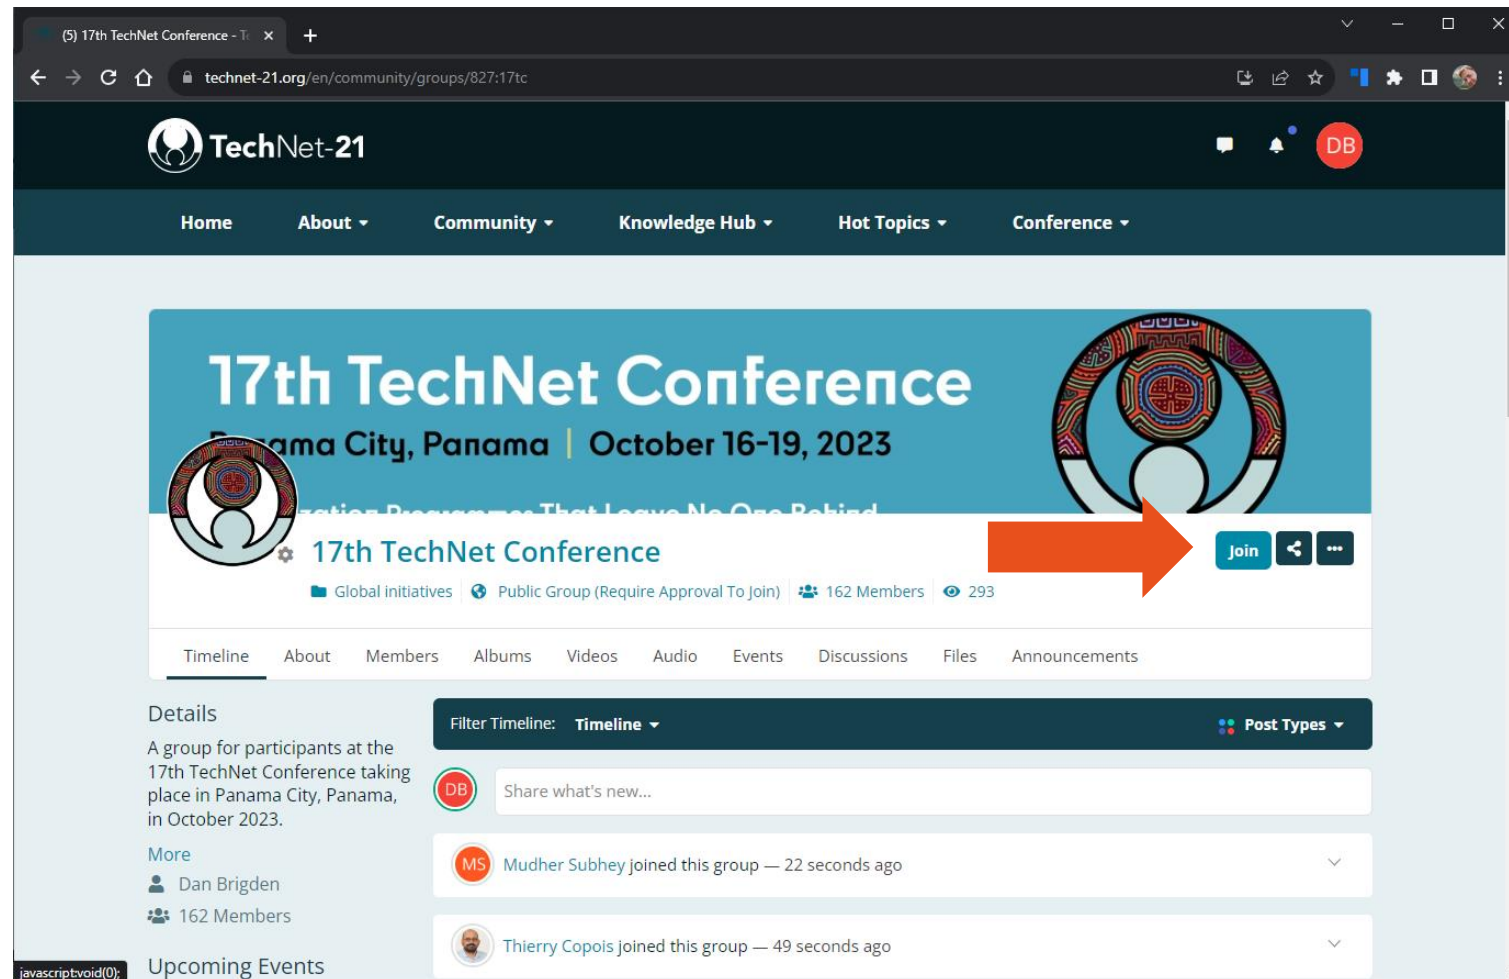

Join our group

www.technet-21.org/community/groups/827-17tc

Use the group to:

- Connect with other participants
- Keep up-to-date on important conference news, including social events and late updates to the agenda
- Share your presentation materials such as slides, posters, photos, videos, and polls
- Promote your work

Join our group

The screenshot shows a web browser window displaying the group page for the 17th TechNet Conference on the Technet-21 website. The browser's address bar shows the URL `technet-21.org/en/community/groups/827:17tc`. The page features a dark blue header with the Technet-21 logo and navigation links for Home, About, Community, Knowledge Hub, Hot Topics, and Conference. A red notification bell icon with 'DB' is visible in the top right. The main content area has a blue banner for the '17th TechNet Conference' in Panama City, Panama, from October 16-19, 2023. Below the banner, the group name '17th TechNet Conference' is displayed with a 'Join' button, a share icon, and a menu icon. A large orange arrow points to the 'Join' button. The group is identified as a 'Public Group (Require Approval To Join)' with 162 members and 293 posts. A navigation bar below the group name includes links for Timeline, About, Members, Albums, Videos, Audio, Events, Discussions, Files, and Announcements. The 'Details' section on the left provides a description of the group and lists members Dan Brigden and 162 other members. The 'Upcoming Events' section is partially visible at the bottom. The right side of the page shows a 'Filter Timeline' dropdown set to 'Timeline' and a 'Post Types' dropdown. A text input field for sharing a post is visible, along with two recent activity posts: 'Mudher Subhey joined this group — 22 seconds ago' and 'Thierry Copois joined this group — 49 seconds ago'. A small 'javascriptvoid(0);' error message is visible in the bottom left corner of the browser window.
