

09:00–09:30

ISC STRATEGIES

An introduction to VIPS: outcomes of the prioritization process and next steps

[VIEW EVENT](#)

Birgitte Giersing (WHO)

Marion Menozzi-Arnaud (Gavi)

09:30–10:00

ISC STRATEGIES

How, where and when are we going to use microarray patches to deliver measles and rubella vaccines?

[VIEW EVENT](#)

Mateusz Hasso-Agopsowicz (WHO)

10:00–10:30

ISC STRATEGIES

The cost-effectiveness of delivering vaccines through a controlled temperature chain (CTC)

[VIEW EVENT](#)

Anna-Lea Kahn (WHO)

Mercy Mvundura (PATH)

10:30–11:00

COVID-19

OpenLMIS COVID edition to support supply chains during COVID

[VIEW EVENT](#)

Wes Brown (OpenLMIS community)

11:00–11:30

COVID-19

Interoperability of data management system to support COVID response in Malawi

[VIEW EVENT](#)

Upile Kachila (VillageReach)

11:30–12:00

COVID-19

CHW PPE effort in Liberia – lessons learned about trying to get visibility and data use during a crisis

[VIEW EVENT](#)

Arthur Loryoun (VillageReach)

12:00–15:00

BREAK

15:00–16:00

PLENARY

[VIEW EVENT](#)

Conference opening

Souleymane Kone (WHO)

Opening remarks

Ann Lindstrand (WHO)

Robin Nandy (UNICEF)

Alex de Jonquieres (Gavi)

Ensuring that countries are ready for a Covid-19 vaccine

Benjamin Schreiber (UNICEF)

Innovating to minimize the impact of COVID-19: A message from the winner of the Oman Youth Covid-19 Innovation Challenge

Saada Al Salti (Team Teryaq)

16:00–17:00

ISC STRATEGIES

Stream 1.1

The future of countries' cold chain systems: Achieving cost-efficiency in managing storage of primary health care commodities

[VIEW EVENT](#)

Mod: Maricel Castro (WHO)

COVID-19

Stream 2.1

Private sector engagement for COVAX

[VIEW EVENT](#)

Mod: Olivier Defawe (VillageReach)

ISC STRATEGIES

Stream 3.1

ISC leadership & governance at country level

[VIEW EVENT](#)

Mod: Patrick Gaparayi

17:00–18:00

COVID-19

Stream 1.2

Reaching Covid-19 vaccine priority target groups

[VIEW EVENT](#)

Mod: Souleymane Kone (WHO)

ISC STRATEGIES

Stream 2.2

Capacity development with sustainable impact

[VIEW EVENT](#)

Mod: Dmitri Davydov (UNICEF)

ISC STRATEGIES

Stream 3.2

Immunisation supply chain interventions that enable coverage and equity and contribute to resilient systems

[VIEW EVENT](#)

Mod: Srihari Dutta (UNICEF ROSA)

18:00–18:30

PLENARY

[VIEW EVENT](#)

TechNet-21 & the Partnership of Immunization Networks

Dan Brigden (WHO)

Alex Pascutto (WHO)

Sarah Kester (BOOST)

Reda Sadki (The Geneva Learning Foundation)

Walter Proper (IAPHL)

Nathan Pienkowski (Immunization Academy)

18:30–19:30

PIN MARKETPLACE

[VIEW EVENT](#)

19:30–20:00

ISC STRATEGIES

An introduction to VIPS: outcomes of the prioritization process and next steps

[VIEW EVENT](#)

Birgitte Giersing (WHO)

Marion Menozzi-Arnaud (Gavi)

20:00–20:30

ISC STRATEGIES

How, where and when are we going to use microarray patches to deliver measles and rubella vaccines?

[VIEW EVENT](#)

Mateusz Hasso-Agopsowicz (WHO)

20:30–21:00

ISC STRATEGIES

The cost-effectiveness of delivering vaccines through a controlled temperature chain (CTC)

[VIEW EVENT](#)

Anna-Lea Kahn (WHO)

Mercy Mvundura (PATH)

21:00–21:30

COVID-19

OpenLMIS COVID edition to support supply chains during COVID

[VIEW EVENT](#)

Wes Brown (OpenLMIS community)

21:30–22:00

COVID-19

Interoperability of data management system to support COVID response in Malawi

[VIEW EVENT](#)

Upile Kachila (VillageReach)

22:00–22:30

COVID-19

CHW PPE effort in Liberia – lessons learned about trying to get visibility and data use during a crisis

[VIEW EVENT](#)

Arthur Loryoun (VillageReach)

09:00–09:30

VACCINE MANAGEMENT

How changing vial size can improve your immunization services

[VIEW EVENT](#)

Kirstin Krudwig (JSI)

Mod: Wendy Prosser (JSI)

09:30–10:00

ISC STRATEGIES

Strategies for catch-up and reducing missed opportunities for vaccination (MOV)

[VIEW EVENT](#)

Laura Nic Lochlainn (WHO)

Stephanie Shendale (WHO)

10:00–10:30

ISC STRATEGIES

Service experience: interlinking supply and demand for immunization

[VIEW EVENT](#)

Francine Ganter Restrepo (WHO)

Kate Bagshaw (JSI)

10:30–11:00

CCE

Improving cold chain equipment management in Uganda with a data centered approach and ODK-X

[VIEW EVENT](#)

John Kissa (UNEPI)

Jacqueline Anena (PATH)

11:00–11:30

CCE

Gavi and UNICEF – CCEOP, IMPT and procurement updates

[VIEW EVENT](#)

Karuna Luthra (GAVI)

Jalia Nanfuka (GAVI)

Michelle Seidel (UNICEF)

Thomas Sorensen (UNICEF)

11:30–12:00

CCE

Temperature monitoring and performance management of cold chain equipment– two complementary approaches

[VIEW EVENT](#)

Brian Pal (New Horizons)

Ernest Some (Kenya National Vaccines and Immunization Program)

Ngwegwe Bulula (Tanzania MoH)

Abubakar Sani (Bauchi State)

12:00–15:00

BREAK

15:00–16:00

PLENARY

[VIEW EVENT](#)

Conference re-opening

Adama Sawadogo (UNICEF)

The impact of Covid-19 on immunization services and guiding principles for immunization activities during severe disruptions

Diana Chang-Blanc (WHO)

Love in the time of COVID: How can resilient supply chains save health systems in the long term?

Peter Okebukola (McKinsey & Co)

Building resilience in a fast changing world

Sena Kwawu (Frontdoor, Inc.)

16:00–17:00

VACCINE MANAGEMENT

Stream 1.1

Data use for supply chain management: From zero to hero

[VIEW EVENT](#)

Mod: Adriana Alminana (JSI)

CCE

Stream 2.1

Cold chain management during Covid-19, a panel discussion

[VIEW EVENT](#)

Mod: Matt Morio (PATH)

CCE

Stream 3.1

WHO PQS – Your Cold Chain's First Line of Defense

[VIEW EVENT](#)

Isaac Gobina (WHO)

17:00–18:00

CCE

Stream 1.2

Cold chain innovations – learnings from field evaluations of freeze protection and energy harvesting

[VIEW EVENT](#)

Mod: Matt Morio (PATH)

VACCINE MANAGEMENT

Stream 2.2

EVM2: A New tool for resilient programmes and continuous ISC performance improvement

[VIEW EVENT](#)

Mod: Maricel Castro (WHO)

VACCINE MANAGEMENT

Stream 3.2

Building a more resilient supply chain through design

[VIEW EVENT](#)

Mod: Wendy Prosser (JSI)

Mod: Dalia Khattab (JSI)

18:00–18:30

PLENARY (closing)

[VIEW EVENT](#)

Closing remarks

Karan Sagar (Gavi)

A word of appreciation

Adama Sawadogo

Let's keep talking

Dan Brigden (WHO)

Conference closing

Souleymane Kone (WHO)

Introducing the Manufacturers Marketplace

Matt Morio (PATH)

18:30–19:30

MANUFACTURER MARKETPLACE

[VIEW EVENT](#)

19:30–20:00

VACCINE MANAGEMENT

How changing vial size can improve your immunization services

[VIEW EVENT](#)

Kirstin Krudwig (JSI)

Mod: Wendy Prosser (JSI)

20:00–20:30
