# EDITORIAL

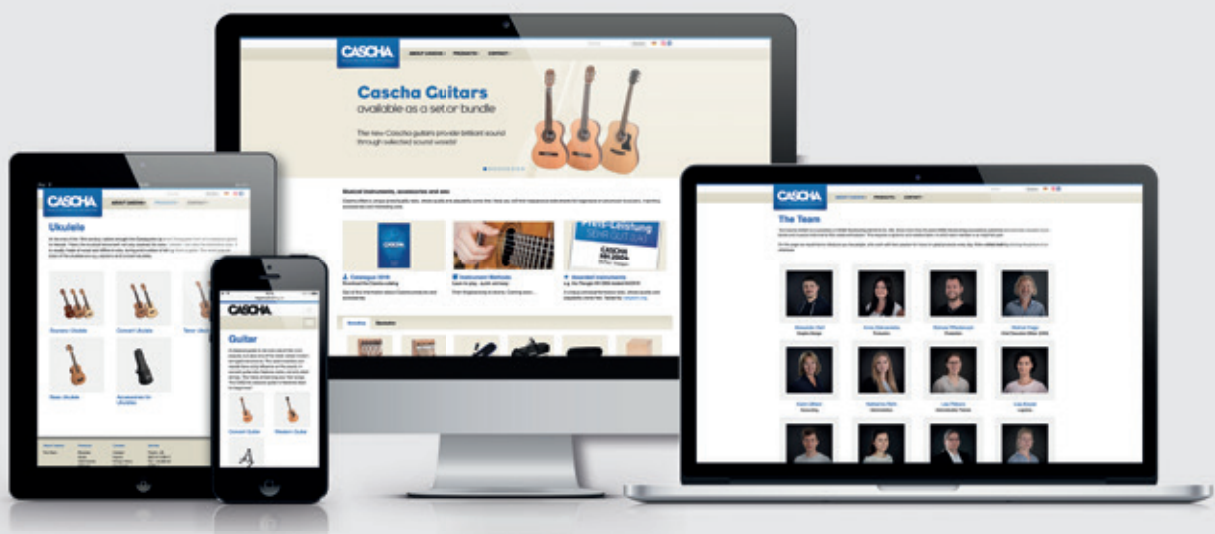

---

Musical instruments, accessories and sets by Cascha provide the perfect introduction to the fascinating world of music. The product range includes most popular entry-level instruments such as ukulele, guitar, recorder, harmonica, percussion instruments and many more. Cascha instruments offer beginners and advanced musicians an excellent quality and great sound at an unbeatable price/quality ratio. That is why Cascha instruments are often used in music lessons and early musical education.

Tailor-made instrumental methods and music books by Cascha ensure fast success and a lot of fun during first musical steps. Cascha offers beginner methods for guitar, ukulele, cajon, recorder, harmonica, keyboard and many more. The enclosed QR- Codes or CDs and DVDs make the first steps quick and easy.

The Cascha product range has been expanded by another popular instrument: the Cajon Box. Its high quality and a top sound make this cajon the first choice for every beginner. Cascha drumsticks are now also available in an American hickory edition. Also new are the tenor ukuleles and energy chimes in different variations.

The product range is rounded off by a large selection of music accessories for musicians. From instrument tuners, capos to music stands up to instrument bags, everything is there that is necessary for successful music making.
