TITAN SERIES™

RUGGED EQUIPMENT CASES

The popular Titan series from Gator Cases provides unmatched protection for a variety of equipment. These injection molded cases feature Gator's UltraGuard Technology, providing top notch protection with heavy-duty impact resistance and a water and dust proof seal. Each Titan case is certified with IP 67 and MIL-STD-810F Immersion tests which means this case can endure the harshest of elements.

The outer shell is constructed of a tough impact-proof lightweight NK-7™ resin material and comes with an ATA-300 flight safe rating. Each case secures with the unique easy release Powerclaw™ latching system and features a soft-grip carry handle. With a variety of sizes available, The Titan series is the ideal choice for any application. Utilize the empty shell version, adjustable divider system models or simply use the optional pluck and pull diced foam to create a custom fit for your equipment.

TSA SERIES

TSA APPROVED HARD-SHELL CASES

Gator's TSA cases are ideal for air travel and have been updated with new and improved hardware and TSA approved locking latches. With a military grade molded polyethylene plastic outer shell, the TSA Cases provide top notch protection and are significantly lighter than traditional wooden flight cases. The uninterrupted black aluminum valance not only gives these cases a stealth look, but provide additional strength to the overall frame. Surface mounted TSA latches now feature an improved latch housing for impact diversion and sport a sleek black matte finish with red release trigger. Move large and bulky items with ease using the spring loaded handles and recessed wheels (wheels not included on 49-note model).

- Nearly Indestructible Polyethylene Construction
- Unique Wedge and Block Design for Interior Customization
- Two TSA Locking Latches with Impact Diversion Dishes
- 200lb Recessed In-Line Wheel Weight Capacity
- Two Rubber Gripped Handles with 130lb Weight Capacity
- Solid Aluminum Valance with Black Powder Coated Finish
