TITAN SERIES™

GUITAR CASES

The Titan Series guitar cases from Gator are some of the most durable and secure ATA cases on the market. Constructed with impact-proof lightweight NK-7™ Resin and equipped with a soft-grip comfort handle, the Titan Series guitar cases are meticulously designed to ensure the best possible protection for guitar and accessories. The easy release Powerlaw™ Latching System ensures your case stays securely sealed and protects your guitar from the elements using UltraGuard Technology. This technology is comprised of military spec immersion certification, IP 67 water and dust-proof certification, and ATA-300 certification. There is immense attention to detail put into the creation of every Titan Series guitar case from Gator.

- Water and Dust-Proof Case with IP67 Certification
- Impact-Proof Lightweight NK-7™ Resin
- Mil-STD-810F Immersion Test Certified
- ATA-300 Certification
- Pad Lockable Design
- Soft-Grip Comfort Handle
- Built-In Wheels and Tow-Handle
- Easy Release Powerlaw™ Latching System

TSA SERIES GUITAR CASES

ATA MOLDED MILITARY GRADE POLYETHYLENE CASES

Travel with peace of mind and lock up your guitar before sending through airport security with Gator's TSA Guitar Cases. These cases are ideal for air travel and have been updated with new and improved hardware and TSA approved locking latches. With a military grade molded Polyethylene plastic outer shell, the TSA Guitar Cases provide top notch protection and are significantly lighter than traditional wooden flight cases. The uninterrupted black aluminum valance gives these cases a stealth look and provides additional strength to the overall frame. Surface mounted TSA latches now feature an improved latch housing for impact diversion and sport a sleek black matte finish with red release trigger. These cases have also been updated with a thick black plush interior lining and are available for Standard Electric, Bass, Classical, Acoustic, 335, Les Paul® Style, and SG® Guitars.

- ATA Molded Military Grade Polyethylene Outer-Shell
- TSA Approved Locking Center Latch Ideal for Air Travel
- Universal Fit EPS Protective Foam Interior Nest
- Thick Black Luxury Plush Interior
- Extended Reach Protective Neck Cradle
- Ergo-Grip Injection Molded Handle
- Surface Mounted Impact Diversion Latch Housing
- Black Powder Coated Hardware and Continuous Valance

G-TOUR™ GUITAR SERIES

ATA GUITAR FLIGHT CASES

Gator's G-TOUR™ line of heavy-duty wooden road cases are available in three models custom fit for electric guitars. A traditional wood road case provides serious protection for guitars with laminated panels, sleek aluminum valance and red recessed twist latches and spring loaded rubber grip handles. On the interior, the guitar rests softly on the thick black plush lined interior and includes a large storage compartment perfect for holding strings, straps, picks, slide, capo, and more. The Electric model will hold most standard electric guitars including Fender Strat and Tele style. The bass model features a universal fit interior to hold most standard 4 and 5 string bass guitars and the Les Paul® model provides a custom fit for Gibson Les Paul® guitars.

- Heavy-Duty Plywood Construction with Laminated Exterior
- Reinforced Ball Corners
- Red Recessed Twist Latches
- Spring-Loaded Rubber-Gripped Handles
- Heavy-Duty Commercial Grade Plated Hardware
- Tongue and Groove Extrusion Aluminum Valance
- Black Plush Protective Interior

ABS GUITAR SERIES

DELUXE MOLDED PLASTIC CASES

**BEST
SELLER**

Our Deluxe ABS Molded Guitar Cases are perfect for around the town and local gigging. Made of a rugged ABS plastic, the GC series provides hard-shell protection for a variety of guitar styles. Each case includes a heavy-duty aluminum valance and reinforced extra strength carry handle. The interior features a protective EPS foam interior with deep black plush lining to safely secure the guitar and large internal storage compartments for strings, capo, tuner, picks and anything else you need to keep rocking. Lastly, the chrome plated latches can be locked with the included keys to provide an additional level of protection.

- Deluxe ABS Exterior
- Heavy-Duty Aluminum Valance Through-Bolted Handle for Extra Strength

GW SERIES

DELUXE WOOD CASES

Gator's stylish Deluxe wood guitar cases are made from a heavy-duty plywood providing hard-shell protection for your valuable instrument. The plush lined foam padded interior keeps your guitar looking brand new and includes ample storage for related accessories such as picks, strings, capo, and more. Each model includes lockable chrome plated latches and an ergonomically designed padded carry handle. Standard models feature thick black Tolex-wrapped exterior with white contrast stitching. Go for a classic look with the distressed leather-like finish of the Vintage Electric Case or the Traditional Brown cases for Gibson guitars featuring the luxurious bright magenta plush interior and guitar cover. Models are available to fit a variety of standard electric, acoustic and bass guitars with custom fit models also available for Gibson Les Paul®, SG® & 335®, Fender Jaguar® and Jazzmaster®, and an extra wide case perfect for PRS® guitars.

JOURNEYMAN SERIES

TRADITIONAL WOOD CASES

Classic styling and traditional craftsmanship come together to create the elegant Journeyman series from Gator Cases. Inspired by Bluegrass and Folk music, The Journeyman series provides a fresh look with its pebble weaved burlap wrapping and espresso brown trim. Antique brass hardware give each Journeyman case a classic look and the beautiful royal blue crushed velvet lines the interior to provide a soft cushioning for your guitar. The internal storage compartment is perfect for straps, strings, capo and related accessories. The stylish Journeyman series is constructed of thick plywood and is available for standard electric, dreadnaught acoustic, resonators, banjos, bass, mandolins, Soprano/Concert/Tenor style Ukuleles, and Gibson Les Paul® and 335® guitars.

GL SERIES

LIGHTWEIGHT GUITAR CASES

The Lightweight Series of guitar cases are the perfect cross between a hard case and gig bag. Each GL series case features a rugged nylon exterior wrapped over a dense EPS foam, keeping the case rigid and tough but lightweight and easy enough to throw over your shoulder. Soft plush lines the inside of the case and the extended neck cradles ensure the guitar is kept secure during use. The Lightweight Series features plenty of additional storage for all your guitar related accessories with internal compartments as well as zippered pockets on the front of the case. Available in eleven unique models to fit a variety of guitar styles, the Lightweight Series is great for everyday use.

- Perfect Cross Between Hard Case and Gig Bag
- Exterior is Covered with 600-Denier Nylon
- Internally Constructed of Dense EPS Foam
- Interior is Covered in Soft Plush with Foam Support for the Neck
- Two Accessory Compartments
- Nylon Web Carry Handle

METAL PEDAL SERIES

ALUMINUM PEDAL BOARDS

Gator's U.S.A. made lightweight pedal boards feature an all-aluminum frame with angled platform for easy access to each pedal. The unique 'C' shape provides a stable footprint and maximizes space with an included universal bracket to mount most common power supplies beneath the board, including Gator's own G-BUS power supply (sold separately). The pedal surface includes angled cut-outs for signal and power routing. Each board includes a deluxe padded carry bag with internal storage, polyethylene reinforced top and bottom and an adjustable and removable shoulder strap. The board comes standard in a sleek matte black finish but is also available in a variety of exciting colors.

- Lightweight Aluminum Pedal Board
- Universal Mounting Bracket Provided for Mounting Most Common Power Supplies Beneath the Board
- Angled for Ease of Access to Pedals
- Cable Routing Perforations Make Routing Signal and Power Easy
- No Slip Rubber Feet
- Includes Adhesive Hook and Loop Strips
- Deluxe Carry Bag with Polyethylene Reinforced Top and Bottom has Removable Shoulder Strap
- GPB-LAK Models Hold Up to 5 Pedals
- GPB-BAK Models Hold Up to 12 Pedals
- GPB-XBAK Models Hold Up to 20 Pedals

Cable Port Allows Easy Access for Power and Signal Routing

WOOD GIGBOX SERIES

WOODEN ALL-IN-ONE PEDAL BOARD AND 3X GUITAR STAND COMBO CASE

Gator's unique and patented Gig Box Series is also available in a Jr. model. The Gig Box Jr. features the same innovative hybrid design combining a pedal board with collapsible guitar stand. The Junior model's compact pedal board surface is carpet lined and will hold up to ten standard sized stomp boxes. The pedal board also includes a dedicated section for mounting a power supply (powered model includes Gator G-BUS power supply). Flip over the lid and use the folding guitar stand to conveniently hold up to three electric guitars. When it's time to load up, the pedal board and guitar stand combine into a compact and convenient briefcase with sleek black tolex, white stitching, and reinforced end caps. Chrome plated locking latches secure the case while the reinforced carry handle makes it easy to safely get your gear wherever it needs to go.

- Collapsible Stand in Lid Adjusts to Hold Two Electrics and One Acoustic or Three Electric Guitars
- 21.25" x 15" Pedal Board in Base
- Recessed Section on Pedal Board for Mounting Power Supply
- Hook and Loop Pedal Fasteners
- Black Plush Lining in Stand Section
- Reinforced End Caps with White Stitching
- Carpet Lined Interior
- Black Tolex Exterior
- Anti-Slip Rubber Feet

Foam in Lid Keeps Your Pedals in Place During Transport

Stand Folds Neatly into Lid

G-TOUR™ SERIES

PEDAL BOARD FLIGHT CASE

The flight-safe G-TOUR Pedal Boards feature a thick plywood construction and a tough laminated exterior. The heavy-duty outer case shell safely and securely holds the pedal board inside with a specialized EVA foam lining interior to protect your effects pedals during transport. The pedal board surface can be removed from the base and sits flat for low-profile use while the interior space below the pedal surface doubles as accessory storage. Included with each G-TOUR Pedal Board is the unique 3M Dual Lock™ fastener strip for pedal mounting. The Dual Lock's specialized grip side can attach to itself and won't wear over, time ensuring each pedal is securely mounted to the board. The G-TOUR Pedal Boards are available in two sizes. The smaller model features a compact 17" x 11" pedal surface to hold eight-ten standard sized stomp box pedals and is small enough to be carried on most airlines. The larger model features a 24" x 11" pedal surface that will hold around ten-fourteen stomp boxes. The large model also includes a convenient retractable tow-handle and wheels.

- Pro Grade Shock Absorbing EVA Foam Interior
- Plywood Fabricated with Aluminum Valance
- 3M Dual Lock™ Fastener for Pedal Installation
- Heavy-Duty Gator Signature Hardware
- Cable Storage Included in Lower Portion of Case

Large, Rolling, Flight Style Pedal Board and Case for 10-14 Pedals with Removable 24" x 11" Board Surface

Model# G-TOUR PEDALBOARD-SM

GPT SERIES

PEDAL BOARD AND TOTE BAG

Gator's original pedal board series is still a top seller. The Gator Pedal Tote features a traditional plywood pedal board that is paired with a convenient and durable Nylon carry bag. The pedal board is wrapped with protective Tolex and includes a carpet lined surface with hook and loop strips to securely mount each effects pedal. The Nylon carry bag features a handle cut out allowing use of the pedal board's integrated carry handle providing a secure grip when heading to a gig. The carry bag also includes a large front pocket for cable and accessory storage. Available in two sizes, both the standard and pro models are offered with or without Gator's G-BUS Power Supply. The power supply is mounted underneath the pedal board with an access slot to run power cables to each pedal.

16.5" x 12" Wood Pedal Board w/ Black Nylon Carry Bag

BONE SERIES

MOLDED PEDAL BOARDS

The unique Bone series pedal boards are molded from a rigid polyethylene plastic to create a tough and durable pedal board that is incredibly lightweight. Taking its name from the unique bone shape, each pedal board features a carpet lined surface with hook and loop strips for pedal mounting. The Standard Bone holds up to five stomp boxes with extended end section to hold a volume/wah pedal. When five pedals just won't cut it, check out the Mega Bone which will hold around eight-ten pedals and features a unique and ergonomic arched shape. For a compact solution, the Mini Bone is perfect and will hold up to three standard sized stomp boxes. Both the standard Bone and Mega Bone include a 9v daisy chain power supply and Nylon carry bag with outer storage pocket. The Mini Bone includes a convenient cinch style carry tote.

- Polyethylene Pedal Board Which Can Accommodate up to Ten Stomp Boxes
- Ergo Friendly Arched Shape
- Two Larger Surfaces for Wah and Volume Type Pedals
- 9v Daisy Chain Power Supply
- Hook and Loop Angled Surface for Pedal Mounting

MULTI FX SERIES

LIGHTWEIGHT MULTI-FX BAGS

Protect your stand-alone stompbox and multi-effects units with Gator's durable Multi-FX bags. Made of tough Nylon, these carry bags are designed to safely store and transport multi-effects units such as the popular Line 6 POD® HD or the powerful new FX8 from Fractal Audio. Each bag features a ½" thick padded and carpet lined interior to protect from dings, dents, and scratches. The front pocket includes outer mesh storage and large zippered section perfect for cables and power supply. Available in three sizes, the Multi-FX bags include an adjustable shoulder strap and ergo-grip carry handle making sure you've got all the effects needed for your next gig.

- Designed to Fit Most Multi-Effects Pedal Boards
- Durable Nylon Exterior 1/2" Protective Padded Interior
- Large Accessory Pocket for Cables
- Adjustable Shoulder Strap
- Ergo Grip Carry Handle

POWER SUPPLY

PEDAL BOARD POWER SUPPLY

The G-BUS Power Supply is ideal for any pedal board setup with eight outputs to supply power to up to eleven effects pedals. Featuring a heavy-duty aluminum housing, the G-BUS will power up to eight 9V pedals and three 18V pedals with the included cables. The 1700 milliamp unit includes short circuit protection and an internal reset. While many of Gator's pedal boards include a dedicated spot for the G-BUS, included hardware and four mounting holes allow the G-BUS to be used with any pedal board. The G-BUS power supply is sold in retail friendly packaging.

G-TOUR™ MINI HEAD SERIES

LUNCHBOX STYLE GUITAR AMP HEAD FLIGHT CASES

Gator Cases road-safe G-TOUR Mini Head cases are specifically designed to fit popular 'Lunchbox' style guitar amp heads. These cases provide top-notch quality and protection with thick plywood construction and a tough laminated exterior. The interior is lined with specialized EVA foam padding to safely house your amp head. Additional foam blocks can be added or removed to the interior to provide a snug and secure fit during transport. Available in three sizes, the G-TOUR MINI HEAD cases fit the most popular models including the Marshall JTM-1H, Orange Tiny Terror, Blackstar HT-5RH and many more.

- Heavy-Duty Plywood Construction with Laminated Exterior
- Adjustable Interior to Fit
- EVA Dur Interior Protection
- Commercial Grade Hardware

G-TOUR™ AMP HEAD

AMP HEAD FLIGHT CASE

Love that vintage tube sound and want to take your valuable rig on the road? Check out Gator's G-Tour Head Case. Designed to fit most popular guitar amplifier heads, this case is built tough and road safe. The G-TOUR HEAD features a lift off lid design which means you can keep your amp head safely seated in the bottom case section during use. The upper lid section includes removable foam blocks that secure and accommodate a variety of amp heads, such as the Marshall JCM™ series.

- Fits Most Popular Guitar Amplifier Heads Like the Marshall JCM™ Series"
- Lift Off Lid" Design
- 3/8 Inch Plywood Construction
- Commercial Grade Hardware

ATA Tour Case for Amp Head
Model# G-TOUR HEAD

G-TOUR™ CAB CASE

4X12 AMP FLIGHT CASE

While most guitar amp cabinets are built to withstand the abuse of life on the road, that is no reason to put it to the test. Gator's G-TOUR CAB412 will securely fit most standard sized 4x12 cabinets and features Ultra Dur EVA padding with hook and loop lined foam blocks that attach to all sides of the interior ensure a snug fit. The unique "live in" case design features a removable front panel and a hinged rear access door with cable port so there is no need to remove your cabinet. Pair this case with the Gator G-TOUR HEAD case and use the heavy duty casters to roll your entire rig straight on stage.

- Adjustable Fit Case for Most 4 x 12 Size Guitar Speaker Cabinets Like the Marshall 1960 Series
- 3/8 Inch Plywood Construction
- Ultra-Dur EVA Interior Padding
- Front Lid "Stay in Case" Design with Hinged Rear Access
- Rear Cable Port
- Commercial Grade Hardware
- 4 Casters

G-TOUR™ AMP CASES

1 X 12 AND 2 X 12 COMBO AMP FLIGHT CASES

Gator's line of G-TOUR Combo Amp Cases offer top notch protection for your valued guitar amp. Featuring a thick plywood construction with sleek aluminum valance. The cases easily roll into place with heavy duty casters. The Lift off Lid design means the amp can remain the case during use allowing you to roll on and off stage with ease. The base section includes adjustable foam blocks to provide a snug fit and keeps your amp from sliding around during transport. Available in two sizes the G-TOUR Combo Amp cases will fit most popular 1-12" single speaker combo amps and 2-12" twin combo amps.

- Adjustable Fit Case for Most 1 x 12 and 2 x 12 Size Guitar Amps
- 3/8 Inch Plywood Construction
- Heavy-duty Interlocking Interior Padding
- Commercial Grade Hardware
- "Lift Off Lid" Design

ROTO AMP SERIES

ROTATIONALLY MOLDED AMP STAND/CASES

Save your amp and your back with Gator's rolling amp transporters. The Roto Amp cases are made from a virtually indestructible roto-molded plastic making a durable and protective hard case that is extremely lightweight. Not only will this handy case keep your 1-12 or 2-12 amp safe, the high-grade casters makes it easy to bring along to any gig. Secured with heavy-duty buckle straps, the top lid can adjust in height and features an open design allowing access to the amps top carry handle. This case even doubles as an amp stand, with molded grooves on the top lid allowing your amp to sit securely.

- Amp Case Fits Most Popular Combo Amp Sizes
- Indestructible Roto Mold Design
- Amp Sits Securely on Top of Case During Use
- Open Top Design Provides Access to Handle for Easy Transport
- Two Wrap Around Straps with Clips to Secure Lid to Base During Transport
- Frame Height Expands 16" to 21"

TSA SERIES

TSA ATA KEYBOARD CASES

Gator's TSA Keyboard cases are ideal for air travel and have been updated with new and improved hardware and TSA approved locking latches. With a military grade molded polyethylene plastic outer shell, the TSA Keyboard Cases provide top notch protection and are significantly lighter than traditional wooden flight cases. The uninterrupted black aluminum valance not only gives these cases a stealth look, but provide additional strength to the overall frame. Surface mounted TSA latches now feature an improved latch housing for impact diversion and sport a sleek black matte finish with red release trigger. The unique case interior features an adjustable wedge block system and additional foam blocks in the lid ensure the best possible fit for almost any keyboard. Move large and bulky keyboards with ease using the spring loaded handles and recessed wheels (wheels not included on 49-note model). The TSA Keyboard Cases are available for sizes ranging from 49 note to 88 note keyboards including slim models.

PRO-GO SERIES

KEYBOARD GIG BAG BACKPACK

Gator Cases deluxe PRO-GO Series Keyboard bags provide professional level protection for players on the go. These sleek and stylish gig bags are built tough featuring an extremely durable nylon exterior and ultra-thick padded sidewalls. On the interior, your keyboard is cushioned in a luxurious, thick, white micro-fleece lining. Additionally, micro-fleece padded straps help to secure the board during transport. Each PRO-GO Keyboard bag includes an extra-large front pocket with storage compartments for cables, foot pedal, and other related accessories. The pocket even includes storage for tablet devices with a micro-fleece lining. A reinforced padded carry handle and removable backpack straps provide convenient carry options. Lastly, a zippered compartment stores a stylish protective rain cover that wraps around the exterior to keep everything dry. Gator's PRO-GO Keyboard Gig Bags are the perfect companion for the traveling musician.

ELITE SERIES DRUM CASES

The revolutionary Elite Air Series design features an oversized case with tailor-made contours and shaped foam strips to securely cushion each drum. The drum rests in the middle, away from side walls, which provides a snug fit and eliminates the need for foam. The unique shape is designed to accommodate most suspended mounting brackets without "up-sizing" and comes with a limited, lifetime warranty against cracking. The Elite Air Combination Tom case blends Elite's optimum protection with the convenience of one case. The contoured divider allows smaller toms to securely sit atop larger toms and is available for 10" and 12" or 12" and 13" tom combinations.

Elite Series Combo Drum Cases Available in the Following Diameters
10" / 12" - 12" / 13"

CLASSIC SERIES DRUM CASES

Recognized as the industry standard rotationally molded drum cases, Protector Cases' Classic Series provides strength, durability and simplicity for almost any drum size. The rotational molding process gives added strength and durability to case corners and provides water resistance that non-roto molded cases can't match. Custom depths and colors are available. All Protector Cases come with a limited, lifetime warranty against cracking.

The Multi-Tom case features rounded pockets to make room for floor tom leg mounts. The 34" maximum depth allows for any combination of floor toms (up to 16" diameter), mounted toms and/or snares.

EVOLUTION SERIES

SNARE DRUM CASES

Gator's deluxe USA-made Evolution Snare case takes protection to the next level with its patented drum rim suspension system. Made of tough molded polyethylene plastic, the specialized interior is designed to cradle and suspend the drum inside resting only on the rims using foam pads in the base and lid. When the case is closed using the heavy duty buckles and Nylon web straps, the drum is suspended in the center of the case and any impact or movement is fully absorbed. The unique interior also allows the case to fit both 13" and 14" diameter snare drums and is available in a variety of depths. Lastly, interlocking outer grooves on the case allow for convenient and secure stacking and will also interlock with Gator's new deluxe hardware trap case.

PRO-GO SERIES

SNARE BAG BACKPACK

Gator Cases' Deluxe PRO-GO Series Snare Bag provides professional level protection for musicians on the go. This sleek and stylish snare gig bag is built tough to keep your drum safe during even the harshest conditions. The Pro-Go Series features an extremely durable Nylon exterior and ultra-thick padded sidewalls to ensure the best protection. The interior of the snare bag cushions the drum in a luxurious, thick, white micro-fleece lining and includes two small, padded, fleece-covered wedges to utilize on the bottom of the bag for extra protection when you set your snare drum down. A slight change in the weather is nothing to fear as a wrap-around protective rain cover is built-into the bag and stores neatly in a rear zipper compartment easy to locate by utilizing the standard Pro-Go descriptive icons. Lastly, the Pro-Go Snare Backpack's highlight feature is the unique padded backpack system which is adjustable and completely removable making it a perfect companion for the traveling musician.

MARCHING SERIES

The Marching Series includes Classic and Elite cases. Incredibly strong construction ensures your marching equipment is safe on the road!

MARCHING CASES

Logging as many touring miles as any musical equipment, marching percussion drums, carriers and accessories must be durable enough to withstand the rigors of cross continental travel. ProtecTOR Cases are backed by a limited lifetime warranty and available for all marching percussion equipment.

ELITE MARCHING SNARE CASE

The Elite Marching Snare Case incorporates the Elite Air Series design to provide ultimate protection without the need for foam. Fold out handles and oversized wheels come standard.

PROGO SERIES

Deluxe Gig Bags for Trumpet, Alto Sax & Tenor Sax

Gator Cases Deluxe Pro-Go series band bags provide professional level protection for musicians on the go. These sleek and stylish gig bags are built tough to keep your instrument safe during even the harshest conditions. The Pro-Go Series has ample storage with large exterior front pockets perfect for mouthpieces, polishing cloths, brushes, straps, swabs, reeds, valve oil or other accessories. The exterior features a unique padded backpack system which is adjustable and completely removable. The interior will protect your woodwind or brass instrument with ultra-thick padded side walls covered in a luxurious, white micro-fleece lining. The Saxophone bags include a padded, adjustable neck storage area while the Trumpet Bags include two padded mouthpiece pouches. Lastly, a slight change in the weather is nothing to fear as a wrap-around protective rain cover is built-into the bag. It protects cork, pads, and metals from moisture and stores neatly in a rear zipper compartment. The Pro-Go Band Series is the top choice for any band and orchestra professional.

- Ultra-Thick Padded Sidewalls
- Micro-Fleece Interior
- Protective Rain Cover
- Multi-Adjustable, Removable Backpack Straps
- Equipment Storage Pocket

Model# G-PG-TRUMPET

PRO-GO Alto Saxophone Gig Bag

Model# G-PG-ALTOSAX

PRO-GO Tenor Saxophone Gig Bag

Model# G-PG-TENORSAX

Multiple Handle Options

Each Pro-Go Series bag includes multiple handle and carry options. The main top carry handle is reinforced and padded, providing a comfortable and secure grip. Utilizing the built-in D-rings, the included multi-adjustable padded straps can be attached to convert the bag into a stylish backpack. An additional Nylon web strap on the rear as well as an adjustable padded shoulder strap allow you to carry the bag any way you feel comfortable.

Product Video Available
youtube.com/gatorcases

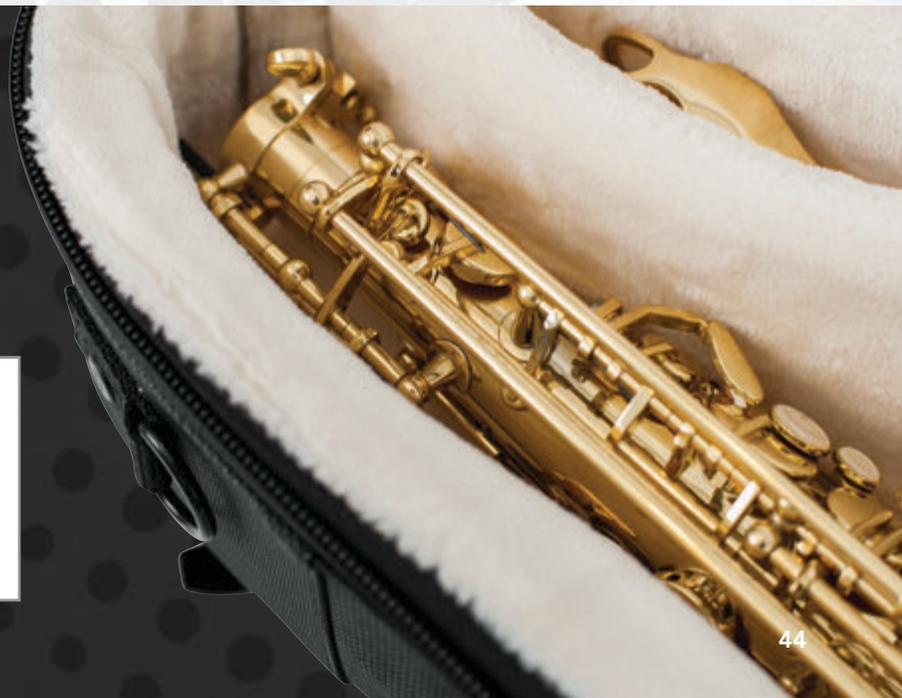

Included Rain Cover

A slight change in weather is nothing to fear as each Pro-Go Series bag includes a hide-away protective rain cover. The weather-proof cover easily wraps around the exterior while still providing access to both the rear backpack straps and top carry handle. When not in use, the rain cover stores conveniently in the rear zippered compartment.

Micro-Fleece Interior

The luxurious micro-fleece lined interior cushions the instrument with thick padded side walls to provide the ultimate in protection. Saxophone models include an adjustable pad to safely store the neck piece and the trumpet model includes two removable padded mouthpiece pouches.

GC SERIES

HARD ABS BAND CASES

Our molded series band cases blend traditional style with Gator-level protection. Made from deluxe molded ABS plastic, each band case features a heavy-duty aluminum valance, reinforced extra-strength carry handle and sleek triple chrome plated hardware. The plush-lined, form fitted EPS interior nest safely stores and protects the instrument while locking latches keep everything secure. Gators Molded Band Cases are available for a variety of instruments including brass, woodwind, and violin.

- Deluxe ABS Heavy-Duty Exterior Protects Your Instrument From Impact
- Super Durable Handle Construction
- Triple Chrome-Plated Hardware with Lockable Latches
- Form-Fitted Deep Plush Interior

LIGHTWEIGHT SERIES

BAND CASES

Gator's Lightweight Cases combine the protection of a case with the minimal weight of a bag. The exterior is constructed of rugged, stylish Nylon with an easy to wipe clean surface. The inside of the case is dense, molded EPS foam covered in black plush to keep your instrument safe and secure. All of the Lightweight Series includes large exterior storage pockets for reeds, mouthpieces, maintenance kits, cleaning supplies and other accessories. Select models also include internal mouthpiece and/or mute storage. Gator's Lightweight Cases offer several carry options including the signature interlocking comfort-grip handle and the included adjustable, removable shoulder strap with a no-slip rubber pad. The Gator Lightweight Series is the perfect solution for everyone from the student to the band and orchestra professional.

- Lightweight Durable Nylon Exterior
- Plush Covered Form Fitting EPS Foam Interior
- Interlocking Comfort-Grip Handle
- Exterior Accessory Storage Pocket
- Removable Shoulder Strap with No-Slip Rubber Gripping (Not Available on Flute Case)
- Reinforced D-Rings to Attach and Remove Shoulder Strap (Not Available on Flute Case)
- Rubber Grip Feet to Protect from Wear and Tear
