

Dispomed Scissor Tables

Customizable Veterinary Scissor Tables

The exceptional lifting capacity of the Vet-Tables elevator table protects your patients and staff from injuries caused by the handling of heavy animals.

FEATURES

- All tray tops are made of 304 grade stainless steel
- Slide cleaners prevent the accumulation of hair in the lifting rails
- Rapid rail tie down system lets you safely position animals
- Full aluminium machined structure for a greater robustness
- The mobile parts of the tables are on bearing
- Lift capacity 300 lbs. (136 kg.)
- Silent motor stops automatically when the maximum height is reached
