

# Tuttnauer 2540MK

## Manual Autoclave

A manual autoclave that sets the standard for steam sterilization

The Tuttnauer 2540MK Autoclave is a manual, quick cycle model with an air pump for closed door drying. The 2540MK is ideal for high volume offices that need quick instrument turnaround.

### FEATURES

- Automatic shut off at the end of sterilization and dry cycles
- Quick cycle feature
- Electro polished chamber and door
- Double safety locking device prevents door from opening while chamber is pressurized
- Front-located drain valve for quick and easy draining
- Dual safety thermostat protects against overheating
