NEW/OLD BUSINESS:

Hyland reported that the Planning Commission meeting for tonight, July 11th has been cancelled. Future focus group dates will be announced.

Hyland and Burger spoke briefly to the Commission on how they can recommend what species of trees, and placement of them along Court Street. Burger also answered any additional questions the Commission had in regard to the Treekeeper software.

ARBORIST REPORT:

McMullin reported when considering the species of trees to plant within the Borough be aware that every year there are different invasive diseases and different insects that are reported by the State that will attack certain tree types. He recommends diversity in species selection.

ADJOURNMENT: There being no further business before the Commission, the meeting was adjourned at 7:55 PM.
