This timetable has been established to ensure adequate time for Borough Staff to prepare comments on each proposal and for the Borough Planning Commission to review these comments. The timetable also incorporates the Bucks County Planning Commission timetable for reviewing proposals, which must be completed before the Borough Planning Commission considers plan review. If a Municipal Review is required, the Bucks County Planning Commission requires plans to be submitted one month before their regularly scheduled meeting, held the first Wednesday of the month. This timetable is not reflected in our calendar.
