

Borough of Doylestown

Department of Building and Zoning
Permit Application for Fence

Background:

The Borough of Doylestown requires that prior to any new fence installation or repairs or replacement of an existing fence that change in type of fence; the property owner shall acquire a Fence Permit from the Department of Building and Zoning, located at 10 Doyle Street. There is a \$50 fee for this permit. All construction/repair work shall be done according to the Borough of Doylestown Ordinance specifications.

When A Fence Permit is Required:

- A Fence Permit is required to install any new fence.
- A Fence Permit is required for fence replacement or any repair of existing fences exceeding 50% or more of the value of the existing fence.

Process:

1. Complete the Fence Permit Application and bring it to the Borough Zoning and Planning Office at 57 West Court Street with payment in the amount of 50 dollars. Check should be payable to "Borough of Doylestown"
2. The staff will accept your completed permit application. You must attach 2 copies of the site plan. See the list below for what must be shown on the site plan. **Note staff will not accept incomplete applications.**
3. You will be contacted when a decision has been made on your application. Permit review normally takes 7 – 10 days but may be as long as 20 days.
4. Do not begin work until your application has been approved and you have an issued permit in your hand.
5. Once work is complete you must schedule a final inspection to close the permit.

Check List for Submission - Applicant must fill out checklist marked "A" below. Borough staff will complete checklist marked "S".
