

**COMMUNITY & GOVERNMENTAL AFFAIRS COMMITTEE
MEETING MINUTES**

Monday, February 10, 2020 - 6:00 p.m.

Present: Ben Bell, Larry Browne, Tim Brennan, and Noni West. Also present were Council President Jack O'Brien and Borough Manager John Davis.

The **Minutes** of the January 13, 2020 meeting were approved.

Ben led a discussion of the idea of **Home Rule status**. After a brief discussion, Ben suggested that the issue be tabled until April's meeting to give the Committee an opportunity to study the materials. It was also suggested that Staff reach out to Chalfont Borough, which is a Home Rule Community.

John indicated that a request to fly the **Pride Flag** at Monument Square had been expected, but had not been received as of yet.

Ben next initiated a discussion of the **Sunshine Act** originating in a PSAB training session he had recently attended. The discussion evolved to include email and social media. John will redistribute guidelines for Council in all of these areas.

Adjourned: 6:54 p.m.

Respectfully submitted,

John Davis
Borough Manager
