

Summer Shows for Children

The Summer Shows for Children Program was created over thirty years ago to provide the children of the Doylestown community free summer entertainment. The program consists of three presentations including magic shows, childrens' theatre and story plays.

The Doylestown Borough Parks and Recreation Board would like to thank Covenant Bank, Simply Fresh by McCAFFREY'S, and the Central Bucks Education Association for their current support of this program. Their sponsorship has allowed Doylestown Borough to continue its tradition of offering these presentations to the public at no charge.

The Summer Show schedule will be placed on this website in the spring.

For more information, call Doylestown Borough at 215-345-4140.
