Refundable Escrow Amount - The Doylestown Borough Council in the exercise of its responsibilities may call upon the services of consultants for engineering, legal services, site design, traffic design, landscape architecture, and other services as it may deem necessary, incidental for the examination of subdivision, land development, or other application, and observation of construction of required public improvements. In the event the refundable escrow amount falls below twenty percent (20%) of the original escrow deposit, the applicant shall provide additional funds for deposit into the escrow account as may be required by the Borough in its sole discretion, up to the amount of the original escrow amount. This additional escrow amount shall be paid when requested before any further action is taken on the proposed development. In addition, the Borough may, in its sole reasonable discretion, require an applicant to provide additional funds in to the escrow deposit in an amount up to five percent (5%) of the cost of the required public improvements upon applicant entering into a development agreement with the Borough. The Borough shall provide bills to applicant for all such services. To any fees incurred by the Borough, the sum of five percent (5%) shall be added as reimbursement to the Borough to cover administrative, overhead and other costs associated and incurred in processing the application, and for the collection of such fees and their distribution. Any unused portion of the refundable escrow shall be returned to the applicant within eighteen (18) months after completion of the required public improvements and/or the land development process. At the time of each filing, applicant's Planner, Architect, and/or Engineer shall certify that the subdivision/land development application is complete and in a form acceptable for action.

Disputes: The Pennsylvania Municipalities Planning Code sets forth specific procedures for the reimbursement of direct municipal costs associated with the review and inspection of land developments and subdivisions. Applicant disputes concerning review and inspection fees shall be resolved in accordance with PA MPC Section 510 (G) which requires applicants to notify the municipality of a disputed bill within 10 working days from the date of billing.

** Filing fees must be paid for land developments regardless of whether a preliminary plan or the entire process is waived.
