Burrito Catering

Who should I contact to ask questions or place an order?	Please submit an inquiry on our catering page at districttaco.com with your basic event details and questions. Our catering office is open Monday-Friday from 9am-5pm; if you have any inquiries outside of those times, we will get back to you as soon as possible.
Do you need advanced notice?	Order details and payment must be finalized by 3pm the previous business day at the latest. Availability is limited so we recommend that you submit your order request ASAP, especially for larger orders. Once your request is received, our team will check availability, work to coordinate the order, send an invoice, and request credit card information.
How are orders packaged?	Your burritos will be sorted by type and packaged in trays. The sour cream and salsas will come in 8-oz cups on the side so that your guests can dress up their burritos as they please. Any additional toppings purchased will come in the 8-oz cups.
Are vegetarian options available?	Of course! Check out our catering menu at districttaco.com for more detailed information. Please notify your catering representative of any vegans in your group. HINT: vegetarian friendly breakfast options are available all day.
Is there a gluten-free option available?	Unfortunately, we only have flour tortillas for our burritos. So with that in mind, we are unable to create a gluten-free burrito. Our catering team will work with you to determine the best way to accommodate your gluten-free guests, or will help you select a catering format with more flexibility. Please make sure to mention any dietary restrictions when placing your order.
Can I do a tasting?	The burritos you receive with catering are the same as those sold in-restaurant. If you'd like to know what to expect, stop by one of our restaurants and order a burrito. You won't be disappointed!
Are utensils included?	Yes. Plates, napkins, serving and necessary eating utensils are included free of charge.
How much does it cost?	Each burrito is priced at \$9. Please note, that there is a 10-burrito minimum for catering. If you don't require that amount, please instead consider placing an online order at districttaco.com .
Is there a <i>minimum</i>?	For pickup, a subtotal of \$100 which includes at least 10 burritos. For delivery, see below
Is there a <i>maximum</i>?	There may be, but we haven't discovered it just yet! Each restaurant has the ability to easily accommodate orders of up to 200 people. However, for larger orders, we may be able to have multiple stores contribute to make the order possible. Have a large group? Just ask us - we'll do our best to accommodate you!
Can the order be delivered?	Si! The delivery fee is equal to the greater of \$50 or 10% of the subtotal. In order to qualify for delivery, an order must reach a minimum of \$200. Please fill out the catering inquiry form at districttaco.com to check availability.
How do I pay for my order?	A DT representative will contact you for credit card information. We accept Visa, Mastercard, Discover, and American Express. Unfortunately, we do not accept cash, check, money order, wire transfer or any other form of payment for catering orders.
Is gratuity included?	No, but our staff would be infinitely grateful for any tips you wish to give. We can only accept cash tips.
What is your cancellation policy?	Orders canceled after 3pm the previous business day are subject to a fee equal to 50% of the order cost. If you need to make last minute adjustments, we will do our best to accommodate. Outside of our office hours, please feel free to contact the restaurant directly.
