## COURSES OFFERED BY DEPARTMENT OF EDUCATION

Category II

(B.A Programme Courses for Undergraduate Programme of study with Education discipline as one of the Core Disciplines)

**DISCIPLINE SPECIFIC CORE COURSE – 7 (DSC-7): EDUCATION IN INDIA: POLICY AND PRACTICE**

## Credit distribution, Eligibility and Prerequisites of the Course

Course title & Code	Credits	Credit distribution of the course			Eligibility criteria	Pre-requisite of the course (if any)
		Lecture	Tutorial	Practical/ Practice		
EDUCATION IN INDIA: POLICY AND PRACTICE DSC 7	4	3	1	-	• Class XII <sup>th</sup> Pass	• No Pre-requisite

## Learning Objectives

The learning objectives of the course are as follows

- To provide an overview of educational policy and practices that have influenced development of school and higher education in India.
- To introduce significant perspectives and processes of educational policy making and planning in the country.
- To gain an insight about institutions of school education and Higher Education in India and also the programmes and schemes that have influenced educational access and opportunities.

## Learning Outcomes

On Completion of the course, learners are expected to:

- build a critical understanding about major policies of education in India
- develop familiarity with indicators of educational development
- describe different educational systems at the school and higher education level

*Sandeep*

- identify problems, challenges and issues at different levels of education.
- understand the role of regulatory bodies at different levels of education
- examine global changes that impact education

## SYLLABUS OF DSC- 7

### Unit I: Understanding Educational Policy in India (12 hours)

- Overview of policies in India; National Policy of Education, 1968, National Policy of Education 1986, Programme of Action 1992
- Educational planning in India and financing: Indicators of Education - GER, NER, Pupil-Teacher ratio

### Unit II: School Education in India (18 hours)

- Common School System: Kothari Commission Report and Vision of Common Schooling
- Systems of Schools: Types and Affiliation, Public, Private, Central, State Government, Aided and Schools run by Autonomous Bodies.
- Issues of regulation of private schools.
- The role of various national, state and local level bodies in school education like National Council for Educational Research and Training (NCERT), State Council of Educational Research and Training (SCERT), DIETs, NIOS, Boards of Education: National, International and State Boards.
- Important Government Initiatives: Sarva Shiksha Abhiyan (SSA), Rashtriya Madhyamik Shiksha Abhiya (RMSA), Rashtriya Uchchar Shiksha Abhiyan (RUSA), Samagra Shiksha, Mid-day Meal Program (Space for eating Together).

### Unit III: Higher Education in India (15 hours)

- Issues in Higher Education: Access, Equity, Relevance, Quality
- Challenges of quality and regulations in Higher Education-- The role of University Grants Commission (UGC) and National Assessment and Accreditation Council (NAAC)
- Types of Universities: Central, State, Private; Open and Deemed
- Contemporary Issues: Role of the global market; GATS in education.

### Suggested Projects /Assignments

1. Build a perspective from data on education of specific social groups (girls, Dalit, tribal, disability) from Census, DISE, Select Education Statistics, and All India Education Survey Report (NCERT) regarding access to education, enrolment-retention at various levels of education and achievement of students.
2. Detailed Study of midday meal scheme ([www.righttofoodindia.org](http://www.righttofoodindia.org)) or any other school linked schemes of the Central Government.
3. Examine any course offered to students through franchising or joint ventures of trans

national institutions.

4. Prepare a report on schemes that are currently operational in government schools introduced for welfare of children in last five years.

**Note:** On the basis of the above, the teacher may design his/her own relevant assignments and projects.

**DISCIPLINE SPECIFIC CORE COURSE – 8 (DSC-8): PROFESSIONAL DEVELOPMENT OF EDUCATIONAL PRACTITIONERS**

**Credit distribution, Eligibility and Prerequisites of the Course**

Course title & Code	Credits	Credit distribution of the course			Eligibility criteria	Pre-requisite of the course (if any)
		Lecture	Tutorial	Practical/ Practice		
PROFESSIONAL DEVELOPMENT OF EDUCATIONAL PRACTITIONERS DSC 8	4	3	1	-	• Class Pass XII <sup>th</sup>	• No Pre-requisite

**Learning Objectives**

The Learning Objectives of this course are as follows:

- Know about the concept, scope and importance of Professional Development of Educational Practitioners.
- Understand and analyze the various policies recommendations for professional development of educational practitioners in India.
- Examine the problems in implementation of the policies for professional development of teachers.
- Explore the role and functions of different agencies of having responsibility of professional development of educational practitioner

**Learning Outcomes**

On completion of this course, learners will be able to:

*Sandhya*

- explain the concept of professional development of teachers and concerns of teachers' professional development.
- critically examine the issues of initial teacher preparation and continuous professional development of teachers.
- critically examine the policy imperatives in teachers' professional development and the role of agencies and regulatory bodies for quality, including the issue of governance in teacher education.
- develop the self-regulated professional development schemes

## SYLLABUS OF DSC- 8

### Unit: 1 Introduction to Professional Development

(Hours 15)

- Concept of Profession, Professionalism, Professional development: Need, Characteristics and importance of professional development, Understanding teaching as a profession and its characteristics, Evolving Roles of a teacher and teacher Education,
- Professional Development of teachers- meaning, need and significance, Teacher Effectiveness- meaning, criteria for assessment and modification of teacher professional development, Characteristics of good teacher with reference to professional ethics, autonomy, and accountability, Concept of Continuous Professional Development (CPD)
- Emerging Concerns and Challenges of Teachers: Pre-service and in-service teacher education conditions in India, Concerns of quality teacher preparation in India, Working conditions of teachers with special reference to teachers' autonomy, code of conduct and responsibilities of teachers in context of policies perspective in India.

### Unit-II Perspectives of Teachers Professional Development

(Hours 15)

- Historical perspective of professional development: Evolution of professional development of teachers.

*Sandeep*

- Models of teachers' professional development (Traditional Professional Development Model, Job-embedded Professional Development Model, Individual Guided Professional Development Model, Observation or assessment model, Development and Improvement model, Teacher training model, an inquiry model), Contemporary approaches for teacher professional growth and development
- Policy Perspectives and roles of different organisations in planning and organization of professional development programmes for teachers at different level: UGC, NCTE and (IASE Institution of Advanced Studies) in Education at higher education and NCERT, SCERT, DIETs, BRCs and CRCs at school level.

**Unit III: Professional Standards for Teachers and Quality Assurance for Teaching Profession  
with reference to India (Hours 15)**

- Professional Standards for teachers: Definition, core values & ethics, importance of professional standards for teachers. Professional standards in terms of: professional knowledge & understanding, professional practice & competence, professional development & growth.
- National Performance Standards for Teachers (NPST) & Perspective of National Education Policy-2020 on Professional Development.
- Evaluating Teacher's Professional Development: Basic principles to evaluate teacher development programmes, models to evaluate professional development (Gusky's model, Traditional model and ICF seven practical steps to evaluate professional development).

#### **Suggested Projects/ Assignments: Any two**

Educator can design the assignment and projects on the current practices adopted in school education and in higher education:

- To develop an analytical report on few case studies specially conducted on the evaluation of in-service programmes/ faculty development programmes/ refresher courses for better understanding of recent trends of professional development of teachers at different level of education viz. school, colleges, and universities.
- Assignment can be given to discuss the different types of professional development programmes in any relevant area of focus, designing of modules, execution and evaluation strategies, process of development a framework of any one professional development programme for teachers at different level,
- An exposure field visit can be scheduled to nearby SCERT, DIETs or institution working in the areas of professional development for observation of ongoing

*Sunder*

professional development programme, interaction with educators working in these institutions along with reporting of any ongoing programme and its components.

**Note:** On the basis of the above, the teacher may design his/her own relevant assignments and projects.

**Teaching Learning Process:**

The course will be taught through interactive pedagogic methods such as classroom discussion, debates, discussions, critical media analysis, collaborative learning tasks which enhance reading comprehension of core writings in the area and innovative projects. Reflective expression and learning will be encouraged.

**Assessment Method:**

The assessment will be formative in nature and will factor in student participation. Individual and group tasks and assignments will be given. Summative evaluation will be done through end- semester examination.

**Key words**

Professional Development, Educational Practitioners

**Note: Examination scheme and mode shall be as prescribed by the Examination Branch, University of Delhi, from time to time.**

*Sandeep*

### Learning Objectives

The learning objectives of the course are as follows

- To provide an overview of educational policy and practices that have influenced development of school and higher education in India.
- To introduce significant perspectives and processes of educational policy making and planning in the country.
- To gain an insight about institutions of school education and Higher Education in India and also the programmes and schemes that have influenced educational access and opportunities.

### Learning Outcomes

On Completion of the course, learners are expected to:

- build a critical understanding about major policies of education in India
- develop familiarity with indicators of educational development
- describe different educational systems at the school and higher education level
- identify problems, challenges and issues at different levels of education.

*Sandeep*

- understand the role of regulatory bodies at different levels of education
- examine global changes that impact education

### SYLLABUS OF DSC- 7

#### Unit I: Understanding Educational Policy in India (12 hours)

- Overview of policies in India; National Policy of Education, 1968, National Policy of Education 1986, Programme of Action 1992
- Educational planning in India and financing: Indicators of Education - GER, NER, Pupil-Teacher ratio

#### Unit II: School Education in India (18 hours)

- Common School System: Kothari Commission Report and Vision of Common Schooling
- Systems of Schools: Types and Affiliation, Public, Private, Central, State Government, Aided and Schools run by Autonomous Bodies.
- Issues of regulation of private schools.
- The role of various national, state and local level bodies in school education like National Council for Educational Research and Training (NCERT), State Council of Educational Research and Training (SCERT), DIETs, NIOS, Boards of Education: National, International and State Boards.
- Important Government Initiatives: Sarva Shiksha Abhiyan (SSA), Rashtriya Madhyamik Shiksha Abhiya (RMSA), Rashtriya Uchchar Shiksha Abhiyan (RUSA), Samagra Shiksha, Mid-day Meal Program (Space for eating Together).

#### Unit III: Higher Education in India (15 hours)

- Issues in Higher Education: Access, Equity, Relevance, Quality
- Challenges of quality and regulations in Higher Education-- The role of University Grants Commission (UGC) and National Assessment and Accreditation Council (NAAC)
- Types of Universities: Central, State, Private; Open and Deemed
- Contemporary Issues: Role of the global market; GATS in education.

#### Suggested Projects /Assignments

5. Build a perspective from data on education of specific social groups (girls, Dalit, tribal, disability) from Census, DISE, Select Education Statistics, and All India Education Survey Report (NCERT) regarding access to education, enrolment-retention at various levels of education and achievement of students.
6. Detailed Study of midday meal scheme ([www.righttofoodindia.org](http://www.righttofoodindia.org)) or any other school linked schemes of the Central Government.
7. Examine any course offered to students through franchising or joint ventures of trans national institutions.

*Sandeep*

8. Prepare a report on schemes that are currently operational in government schools introduced for welfare of children in last five years.

**Note:** On the basis of the above, the teacher may design his/her own relevant assignments and projects.

## Category II

### **Economics Courses for Undergraduate Programme of study with Economics as one of the Core Disciplines (B.A. Programmes with Economics as Major discipline)**

#### **DISCIPLINE SPECIFIC CORE COURSE -11 (DSC-11): Intermediate Macroeconomics II: Policy Issues**

Course title & Code	Credits	Duration (per week)			Eligibility Criteria	Prerequisite
		Lecture	Tutorial	Practical/ Practice		
<b>Intermediate Macroeconomics II: Policy Issues – ECON011</b>	<b>4</b>	<b>3</b>	<b>1</b>	<b>0</b>	<b>Class 12th</b>	<b>NIL</b>

#### **Learning Objectives**

The Learning Objectives of this course are as follows:

- This course trains the students in policy issues faced by macroeconomists in the real world.
- It discusses issues in monetary and fiscal policies as well as exchange rate dynamics.
- It also introduces the students to the financial system and dynamics of financial crises.
- The students are introduced to macroeconomic concepts in the context of open economies and the policy issues therein.

#### **Learning outcomes**

The Learning outcomes of this course are as follows:

- This course enables students to analyse the functioning of macroeconomic policies in the real world in both closed and open economies, understand the dilemmas faced by the policymakers both in the domestic economy and in the globalised world.

#### **Syllabus**

##### **UNIT I: Fiscal and monetary policies (15 hours)**

Active or passive monetary policies; time inconsistency, monetary policy objectives and targets; rules versus discretion, IS-PC-MR model, fiscal policy, the government budget constraint; government debt and Ricardian equivalence.

##### **UNIT II: Financial markets and crisis (15 hours)**

Introduction to financial markets, Financial crises and liquidity trap

##### **UNIT III: Issues in open economy (15 hours)**

Short-run open economy models; Mundell-Fleming model, Exchange rate determination; purchasing power parity, asset market approach, Dornbusch's overshooting model; monetary approach to balance of payments, International financial markets.

### **Recommended readings**

## DISCIPLINE SPECIFIC CORE COURSE -12 (DSC-12): Indian Growth and Development

Course title & Code	Credits	Duration (per week)			Eligibility Criteria	Prerequisite
		Lecture	Tutorial	Practical/ Practice		
<b>Indian Growth and Development – ECON018</b>	<b>4</b>	<b>3</b>	<b>1</b>	<b>0</b>	<b>Class 12th</b>	<b>NIL</b>

### Learning Objectives

The Learning Objectives of this course are as follows:

- Using appropriate analytical frameworks, this course reviews major trends in economic indicators of macro and development issues and policy debates in India in the post-Independence period, with particular emphasis on paradigm shifts and turning points.
- This course intends to give an introduction to students as to how they could explore problems related to the Indian economy by familiarizing them with the research studies on areas relating to economic development and policy in India with an emphasis on contemporary debates.

### Learning outcomes

The Learning outcomes of this course are as follows:

- The students should be able to understand the development paradigm adopted in India since independence and evaluate its impact on economic as well as social indicators of progress.
- The students will acquire ability to explore current policy debates and contribute to policy making in an informed way using relevant databases.

### Syllabus

#### UNIT I: Economic Growth since Independence (12 hours)

Major features of the economy at independence; growth under different policy regimes—goals, constraints, institutions and policy framework; an assessment of performance—sustainability and regional contrasts; structural change, savings and investment

#### UNIT II: Sectoral Performances and Concerns (12 hours)

Issues in agriculture, industry and services.

#### UNIT III: Inclusive Growth - trends and patterns, Distributional Issues and Policies Demography, Poverty and Unemployment (9 hours)

#### UNIT IV: Economic Policies and their Impact (12 hours)

Evolution of macroeconomic framework applied in Indian economy and its impact, fiscal policy; financial and monetary policies; trade and investment policy, five-year plans

(B.A. Programmes with Economics as non-Major or Minor discipline)

### DISCIPLINE SPECIFIC CORE COURSE -6 (DSC-6): Indian Growth and Development

Course title & Code	Credits	Duration (per week)			Eligibility Criteria	Prerequisite
		Lecture	Tutorial	Practical/ Practice		
Indian Growth and Development – ECON018	4	3	1	0	Class 12th	NIL

#### Learning Objectives

The Learning Objectives of this course are as follows:

- Using appropriate analytical frameworks, this course reviews major trends in economic indicators of macro and development issues and policy debates in India in the post-Independence period, with particular emphasis on paradigm shifts and turning points.
- This course intends to give an introduction to students as to how they could explore problems related to the Indian economy by familiarizing them with the research studies on areas relating to economic development and policy in India with an emphasis on contemporary debates.

#### Learning outcomes

The Learning outcomes of this course are as follows:

- The students should be able to understand the development paradigm adopted in India since independence and evaluate its impact on economic as well as social indicators of progress.
- The students will acquire ability to explore current policy debates and contribute to policy making in an informed way using relevant databases.

#### Syllabus

**UNIT I:** Economic Growth since Independence (12 hours)

Major features of the economy at independence; growth under different policy regimes—goals, constraints, institutions and policy framework; an assessment of performance—sustainability and regional contrasts; structural change, savings and investment
