aIRSTAR

SPIRIT OF FREEDOM

crystal

main features

- > Air-inflated lighting balloon (built-in fan)
- > Halogene lamps (dimnable) or fluocompact
- > Pole mounted or hanged from ceiling or truss
- > Indoor or outdoor use

why should you have the crystal?

An universal product : the Crystal is very polyvalent in its uses (lighting, communicating, signaling, decorating), or its target markets (reception, fashion show, corporate event, etc.).

A tailor-made product : the Crystal is fully customizable, thanks to the colored or printed slipcovers, the vinyl graphics and the spandex base covers . Many sizes and shapes are available.

Airstar know-how : the Crystal is Airstar's bestseller. Many options are available, making it the perfect balloon for all your needs : strong wind resistance, very quick set up, backpack fixation, etc.
