

Faculty of Medical Sciences, University of Delhi
List of Protocols submitted by Post-graduate students : Batch 2024 : MS
Otorhinolaryngology (ENT)

S. No	Name	Department	College	Title
1	Dr Anil Mangawa	MS ENT	AH(R&R)	"A prospective observational study to assess the effectiveness of intranasal corticosteroids on nasal resistance in allergic rhinitis patients using rhinomanometry"
2	Dr Mohammed Rehan Shaikh	MS ENT	AH(R&R)	"A prospective observational study to evaluate the nutritional status in patients of head and neck cancer"
3	Maj (Dr) Prabhat Kumar	MS ENT	AH(R&R)	"A prospective observational study of the clinical features and characteristics of spontaneous csf rhinorrhoea"
4	Maj (Dr) Amanpreet Kaur	MS ENT	AH(R&R)	"Observational study to assess surgical and audiological outcomes of cochlear implantation in children with congenital inner ear malformations"
5	ANUBHUTI GUPTA	MS ENT	MAMC	Fiberoptic Endoscopic Evaluation Of Swallowing Based Dysphagia Scoring In Patients With Neurological Dysphagia
6	GARIMA NEGI	MS ENT	MAMC	Efficacy Of Balloon Dilatation In Management Of Patient With Laryngotracheal Stenosis
7	GOVIND SINGH KHARINTA	MS ENT	MAMC	Efficacy Of Balloon Eustachian Tuboplasty Before Tympanoplasty In Patients With Mucosal - Type Chronic Otitis Media With Obstructive Eustachian Tube Dysfunction
8	KANISHK CHAUHAN	MS ENT	MAMC	Effect Of Tonsillar And Adenoid Size On Airway Obstruction In Children With Obstructive Sleep Apnea
9	NAVYA GUPTA	MS ENT	MAMC	Effect Of Percutaneous Injection Medialisation Laryngoplasty (Piml) On Voice In Patients Of Unilateral Vocal Cord Palsy
10	SHUBHANGI SHARMA	MS ENT	MAMC	Tumor stroma ratio and epithelial growth factor expression in squamous cell carcinoma of tongue.
11	VANSHIKA DUVESH	MS ENT	MAMC	Assessment of biochemical and hormonal markers and effect of health - related quality of life (hrqol) in the post - total thyroidectomy patients.
12	YOGENDER YADAV	MS ENT	MAMC	Submucosal conchoplasty and lateral lamellectomy in management of concha bullosa: a randomised controlled trial.
13	Dr Deepanshi Pasrija	MS ENT	LHMC	Gastroesophageal reflux disease (GERD) in patients with chronic Rhinosinusitis (CRS)-A cross sectional study
14	Dr Harsha Chaturvedi	MS ENT	LHMC	Study of Pain and bleeding during nasal pack removal with surgical-wrapped merocele

15	Dr Kshitiz Kumar Singh	MS ENT	LHMC	Geographical Mapping of Adults with Sensorineural Hearing Loss In Delhi
16	Dr Padma Angmo	MS ENT	LHMC	Comparison of voice quality outcome following cold steel versus Microdebrider assisted micro laryngeal surgery in benign laryngeal lesions
17	Deepak Kumar	MS ENT	UCMS	Comparative study of lymph node distribution in central compartment in cadavers and in patients undergoing thyroid cancer surgery
18	Dr Aarnav Khurana	MS ENT	UCMS	Role of adjuvant antioxidant therapy in management of allergic rhinitis
19	Dr Manisha Verma	MS ENT	UCMS	Evaluation of serum periostin levels in patients of Allergic Rhinitis: A case-control study
20	Neha Giri	MS ENT	UCMS	To study free flap reconstruction in tongue cancer for functional and surgical outcomes
21	TWINKLE RANA	MS ENT	UCMS	Evaluation Of Olfactory Cleft Endoscopy Scale In Patients Of Chronic Rhinosinusitis And Its Correlation With Olfactory Function
