The Leadshare experience is intended to provide an environment for intense sharing of business leads. Leadshare groups within the Chamber are comprised of professionals who are considered leaders and innovators in their field and who share the specific desire to grow their business. Each group is industry-exclusive and the groups are geographically diverse.

COMMITTEES

Get Connected!

Join one of our exciting committees and get involved with your fellow business colleagues, with your community, with students, with our legislators, and more. We invite you to find your niche and join a committee. You may participate in an open committee meeting in person or by phone.
