DATA WORKSHOP

HONOR CODE CERTIFICATE

THIS CERTIFICATE CONFIRMS THAT

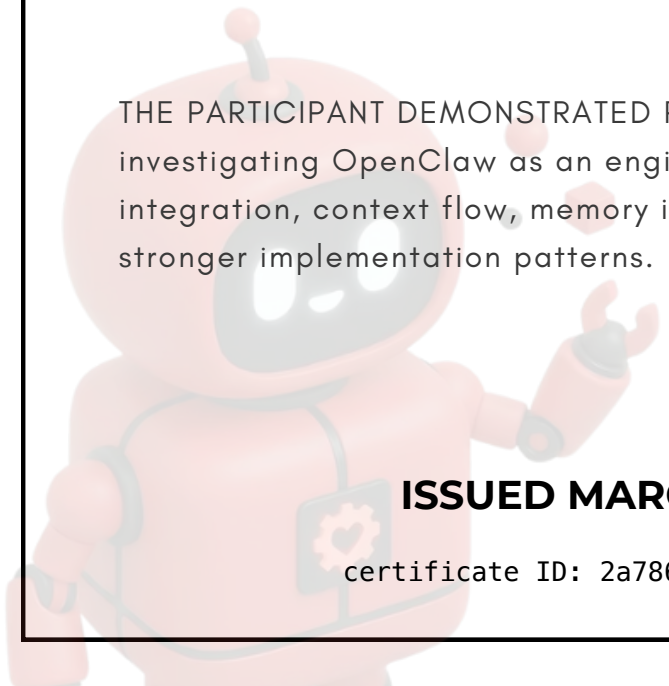

MAREK KUNASZEWSKI

has successfully completed the

DWthon | Software 3.0 (Agentic AI program)

a 3-day course of study offered by DataWorkshop

THE PARTICIPANT DEMONSTRATED PRACTICAL SKILLS IN:
investigating OpenClaw as an engineering system rather than a black box, including channel integration, context flow, memory inspection, custom skill creation, and critical evaluation of stronger implementation patterns.

ISSUED MARCH 21, 2026

certificate ID: 2a786fb/dwthon-agentic
