Speakers and winners' instructions:

Please review the guidelines/information below:

·It is imperative that we do not deviate from the presentation sequence reflected in the agenda as this will affect the slides sequence.

·A total of two (2) minutes has been allotted for the recognition of each listed Eagle and Pinnacle and Darcy winner as well for the Lulu Mena and High Five, including acceptance remarks by the winner. Presenters have approximately two (2) minutes to recognize a particular winner and each winner has no time to hold a "thank you" speech. You can select one winner your winner who will be assigned a time to hold a speech – also here please a short thank you speech of two minutes.

·If you recognize more than 1 winner, the first winner should remain on stage on the left-hand side until the next one is recognized. At the end the photographer will make a group picture of your winners and you.

·**Presenters and winners should all enter from the left and exit from the right.**

·An Eagle Award statue, Pinnacle statue, Darcy and Lulu Mena and High Five statue will remain on stage during the entire evening - at the close of the awards, the statues will be used for the official photographs. Photographs will be taken at the end of the event.

·All winners will receive an award certificate while on stage. Only first-time winners will receive an Eagle PIN! The 03rd time winners of Eagle will receive a Jacket.
