

SUMMERSET COMMUNITY NEWS

OCTOBER 2023

Dear Neighbors,

We have our new HOA software starting up this month. Thank you to all who responded so quickly with their email addresses! This helped us immensely getting the information into the new system. So what happens next?

- 1) A link to set up your account will go out by October 12th. If you did not receive it, please check your junk mail since this will be sent from a new address.
- 2) Our website will be changing to allow you easier access to documents and paying your dues online. This should be completed by October 15th.
- 3) Also new—we will have an HOA message phone number! More on this next month.

We are always here to answer questions, just send an email to info@summersetcommunity.com.

- Thank you,
Your HOA Board

Halloween—Tuesday, October 31st

A few HOA members are working on a small neighborhood trick or treat option. If you'd like to volunteer, we'd love extra hands!

Email treasurer@summersetcommunity.com to volunteer.

Once we know how many volunteers are available, we'll be able to post more information on the mailboxes in the next week or so!

A Note from the Treasurer

Everyone is doing a great job of catching up on dues, we've only had to file 4 liens so far!

When you are able to begin using the new software to pay dues, you will be able to see immediately how much you've paid, and how much you owe, instantaneously. However, past history was not able to port in. Please note that there will be \$1.99 convenience fee for processing checks online.

If you have any questions, or need information on your current dues status, please send an email to treasurer@summersetcommunity.com.
