Meeting Agenda

GOAL:

This will be a community meeting with the goal of ensuring that all members have fully processed the need for this project, and have aired any/all questions that relate to the plan. Based on the last meeting, the vendor Excel will not be present for the meeting. When the Board determines the community is more fully informed of the project need and general plan then another community meeting will be called with vendors present for community Q&A.

ITEMS TO BE DISCUSSED:

Project Scope: Roofing/Stucco (Siding and Color)/Sidewalks

Project Proposal Estimate, Phasing and Special Assessment Timeline

Board Thoughts on LCE Renovation/Construction Request Protocol

Communication

Community Q&A
