## Sleepy Hollow Hills Estates Owners Association

Effective January 28th, we welcomed two new voted in Board Members:  
Raymon Edds interim Vice President, and Derek Czajkoski Sargent.

Check out our new website!  
[www.SleepyHollowHillsHOA.com](http://www.SleepyHollowHillsHOA.com)

You will be able to see things like upcoming projects, view our CC&R's, Bylaws and more. You will also be able to log in to see your account.

### School Bus Stop Lighting!

A vote at the January meeting passed to turn on streetlights at three street corners to improve safety for our kids who ride the bus to school. These lights will be installed in the next few weeks.

### CC&R and Bylaw News!

The board is reviewing the current bylaws, and Covenants and is looking into making some updates to better reflect on our community. All changes will be voted on before they become law.

### New Street Signs!

We have many street signs in the community that need repair or replacement. A vote at the January meeting passed to start the process of replacing street name signs. After speaking with the Oklahoma Transportation Department, we can choose any color or style since we are a private neighborhood. However, we are responsible for the total cost. We will be voting on the color at the next HOA meeting.

Join us at our next HOA Board Meeting on April 8th at 7:00 PM.  
Asa Smith Funeral 2039 Tim Holt Dr, Harrah, OK 73045

Please report any violations to the HOA board via the "Easyhoa App" for the Board to review.

For updates, please visit our website.

Sincerely, Your Current Board Members
