If a speaker is in the middle of a sentence when time is called, he/she may finish their thoughts before sitting down. The time guidelines ensure that others will have an opportunity to speak. Speakers may not allot their time to others. All persons must follow the Meeting Rules listed at the bottom of this agenda.

MEETING RULES: No audio or video recording allowed by attendees. However, the secretary may record the meeting to aid in the preparation of minutes. The recording is deleted once the minutes have been prepared. As provided in the "Open Meeting Act," members may observe the meeting but do not have the right to participate in the board's deliberations or votes. Members may only address issues during the open forum portion of the meeting unless specifically asked by a director to speak. If attendees become disruptive, they may be expelled from the meeting and/or fined. For electronic (phone) or virtual (Zoom) attendees, they must identify all parties attending during roll call or if added after. If no response is received, they will be dropped from the meeting.
