Clean up the garage for the big sale!

Neighborhood Clean Up Day May 9 at Arlington

Sponsored by the cityoffortwayne.org

The City of Fort Wayne offers every Neighborhood Association a cleanup day on an annual basis. We should all thank Matt Gratz with the city for arranging our special day. This year's cleanup will be held on May 9th between the hours of 8 a.m. and 12 p.m. (Noon). The City will supply the neighborhood (free of charge) (3) 40 yard roll-off containers. Please plan ahead to clean up! The attic, garage, or yard of stuff you no longer can use or need. Healthy neighbors take this opportunity to assist a neighbor in need by offering to bring items that have been collected up to the container site located behind the main bulletin board at Arlington Park's Arlington Parkway South. The community thanks you for your contribution. Members must show Member Tags. Let's get busy!!!!

GUIDELINES FOR ROLL-OFF CONTAINERS AND TRUCKS

Neighborhood Cleanup Program Guidelines for Roll-Off Containers and Trucks. Materials that cannot be put into the container/truck include:

***Latex paint cans need to be dried out before placing in the container. We cannot accept paint in a liquid form because it may leak out onto the ground or street.

Cleanups are from 8 a.m. to noon. Containers will be delivered by 8 a.m. and picked up between noon and 2 p.m.

on the same day.

Do Not Overfill the container. Debris must not hang over the sides or stick up higher than the sides of the container, and the door must be able to close.

The neighborhood is responsible for the container. If it is overfilled, the neighborhood will be responsible for leveling off the container prior to pickup. If unacceptable items are placed in the container, the neighborhood is responsible for removal and

disposal of the item(s).

No Rain Date for Containers/trucks. We will not be able to pick up containers and deliver them on another day if it is raining. If there is thunder and lightning, DO NOT, under any circumstances, try to do your cleanup.

If you have any issues with a container or truck, call Matt Gratz with the City Solid Waste Department at 403-6523 or Nick Gaylord of Republic Services at 249-6720.

Materials that cannot be put into container/truck include:

Anti-freeze
Appliance with Freon

How to be a Good Neighbor

Listed below are a few helpful suggestions from our Architectural Committee.

New Paint: Homeowners are free to repaint their homes using a color identical to the existing paint.

Roof Treatment: When a home requires a new roof, homeowners are free to re-roof their homes using the identical color and type of shingle found on the existing home.

Antennas and Satellite Dishes: Satellite dishes are required to be less than 36 inches in diameter to be placed at the rear of the house, not visible from the street and to be screened from view from the neighbors.

Play Equipment and Toys: Arlington Park is a family community so children are an important part of our community. In order to maintain harmony

children's toys should be stored indoors or in an orderly fashion that they are screened part of the backyard not visible from public view. Bicycles and other riding toys should be kept in the garage when not in use. No play structure or equipment is allowed in the common areas.

Swimming pools: Portable swimming pools are prohibited in the covenants. A child pool that can be emptied and stored every evening, out of sight, is permitted.

Lighting: Tasteful accent lights are encouraged and security lights that do not create a nuisance for other homeowners are permitted.

Garage Doors: Garage doors should be opened only long enough to permit car access to garage or while someone is working outdoors.

Barrett Law Most Frequently Asked Questions

WHAT IS BARRETT LAW?

Barrett Law provides a convenient method of time payments for affected property owner for improvements such as new streets, curbs, sidewalks, alleys and sewers. The Indiana Code I.C. 36-9-37-8.5 authorizes and determines the method for municipalities to levy assessment for certain improvements against benefited properties.

WHEN IS THE ASSESSMENT LEVIED AGAINST A PROPERTY?

The assessment is levied and becomes due and payable on the date the Board of Public Works confirms the assessment at the final public hearing. (This is after the work has been completed.)

WHAT ARE THE PAYMENT OPTIONS?

Owners have thirty (30) days from the date of assessment to pay in full with no interest or to sign a waiver agreeing to pay in either annual or monthly installments with interest over 10, 20 or 30 years. Assessments from \$100 to \$4,999 may be paid in either monthly or annual installments

for up to 10 years. Assessments from \$5,000 to \$14,999 may be paid in either monthly or annual installments for up to 20 years. Assessments of \$15,000 or more may be paid in either monthly or annual installments for up to 30 years. Assessments under \$100.00 must be paid in full. Owners of real property may not change their installment payment option. Part of an assessment may be paid with no interest and the balance placed on installments if desired.

WHAT IS THE INTEREST RATE AND WHEN DOES THE INTEREST START?

The Board of Public Works sets the rate according to prevailing financial conditions at the time the improvement resolution is adopted for a project. Interest begins on the date the assessment is levied and the rate remains the same for the entire ten-year period.
