ARLINGTON NEWS & VIEWS 1

2026 Arlington Park TV & Tire Program planned Sept. 14-17

Many members were disappointed that during our Spring clean-up tires were not accepted. Arlington signed up for the Fall Tire Program for those members that have tires to dispose of.

From Sept. 14-17 you can drop off car tires, with or without rims in the designated parking lot where the large postal units are at the clubhouse.

Neighborhood Clean Up Day Sept. 12th at Arlington

Sponsored by the cityoffortwayne.org

The City of Fort Wayne offers every Neighborhood Association a cleanup day on an annual basis. We should all thank Matt Gratz with the city for arranging our special day. This year's cleanup will be held on Sept. 12th between the hours of 8 a.m. and 12 p.m. (Noon). The City will supply the neighborhood (free of charge) (3) 40 yard roll-off containers. Please plan ahead to clean up! The attic, garage, or yard of stuff you no longer can use or need. Healthy neighbors take this opportunity to assist a neighbor in need by offering to bring items that have been collected up to the container site located behind the main bulletin board at Arlington Park's Arlington Parkway South. The community thanks you for your contribution. Members must show Member Tags.

Let's get busy!!!!

All residents at Arlington Park can work together with pride

As summer is now upon us, and there is so much going on here at Arlington, with the pool and golf course open, great weather for Tennis and Pickleball, playground and all outside activities.

Let's just make sure that we are all being aware of our surroundings, ensuring that the whole community is helping Arlington stay beautiful by taking pride in what goes on. Making sure that a residents we are cleaning up after our pets, utilizing the doggies stations. Reminding our children

not to cut through a neighbor's yard to get to the playground area, but rather to utilize the sidewalks. Ensuring that trash cans are kept to the sides of homes, that the lawns are kept mowed and free of trash and debris, etc.

Thank you so much to those of you who have reached out with suggestions regarding landscaping and flowers, as well as keeping us on our toes as areas of need pop up, and for your patience when we experienced so much rain that we were unable to maintain our

common areas as we would have liked. It definitely takes a Village to maintain such a large area, and if we continue

to work as a community Arlington will continue to thrive and shine! THANK YOU! COMMUNITY PRIDE!

Pet Courtesy is appreciated at Arlington Park

As summer is upon us, we'd just like to take some time to talk about Pet Courtesy. We have a lot of animal lovers here in Arlington, which is wonderful, we know how incredibly important they are to our family's. In saying that, we know that they are also a huge responsibility. So just some quick reminders that relate to numerous calls and emails we have received here in the Clubhouse.

- Please ensure that you are utilizing the Doggie Pots we have throughout the Neighborhood on our Walking paths, as a common courtesy to all residents. Ensure that when you are disposing of the bags that they make it into the containers.

- Please ensure that you are being respectful to your neighbors as it relates to letting your

pet out in the early mornings, late evenings and providing the necessary supervision so that there is not constant barking etc. We've received calls stating that the dogs are incessantly barking throughout the day, unsupervised, not redirected. Some residents have contacted animal control, which is what we suggest be done if there are continual complaints made.

- We have had calls and emails regarding larger dogs running toward fences aggressively as pedestrians walk past, which can be unsettling especially for younger individuals. Please, again, provide the necessary supervision to assist in eliminating that as much as possible. It helps to call them back as they will most likely respond to your voice.

- We have also had several

calls and emails regarding cats wondering into other resident's yards, or even their homes. Please ensure that your pets are kept secured when outside.

- Also, ensure that your pets are registered, at City Pet Registration. Per city ordinance, all dogs and cats living within Fort Wayne City limits must be registered with Animal Care & Control by the time they are 5 months old. The fee is minimal and assists with identifying a lost or stolen pet.

Arlington Park Architectural Control

Over the past few weeks, many neighbors are preparing for summer and making those home improvements you have looked forward to all winter. Please before you go one step further.....contact the clubhouse with your plans and submit for Architectural Control Approval.

Many new home buyers decision to purchase in Arlington is based on the association's structure. The element of enforcement of day to day operations of the covenants, by-laws that protect you as an individual.

If you will be landscaping, installing tile, adding a deck or painting your home you need to submit construction plans, and a site plan showing the location on the lot and grade elevations to the club-

house. The office next will notify our electrician to locate any underground for rear walkway lighting prior to digging. You may also want to contact 1-800-382-5544 for locations of all other utilities.

Covenants Enforced:

The Association is sending final notices to those in violation of the covenants. If you:

- have a boat in your driveway
- have not cleaned up your yard; bags of leaves, grass clippings, etc.
- have not replaced the bulb in our yard light.

- have not made arrangements for that temporary.....

You are in violation. Please be a good neighbor and remove the violation. Your association and neighbors Thank You!

How to be a Good Neighbor

Listed below are a few helpful suggestions from our Architectural Committee.

New Paint: Homeowners are free to repaint their homes using a color identical to the existing paint.

Roof Treatment: When a home requires a new roof, homeowners are free to re-roof their homes using the identical color and type of shingle found on the existing home.

Antennas and Satellite Dishes: Satellite dishes are required to be less than 36 inches in diameter to be placed at the rear of the house,

not visible from the street and to be screened from view from the neighbors.

Play Equipment and Toys: Arlington Park is a family community so children are an important part of our community. In order to maintain harmony children's toys should be stored indoors or in an orderly fashion that they are screened part of the backyard not visible from public view. Bicycles and other riding toys should be kept in the garage when not in use. No play structure or equipment is allowed in the common areas.

Swimming pools: Portable swimming pools are prohibited in the covenants. A child pool that can be emptied and stored every evening, out of sight, is permitted.

Lighting: Tasteful accent lights are encouraged and security lights that do not create a nuisance for other homeowners are permitted.

Garage Doors: Garage doors should be opened only long enough to permit car access to garage or while someone is working outdoors.

BIKE RIDING

Riding a bicycle on the wrong side of the road, against traffic, is generally illegal in the United States. Bicyclists are typically required to follow the same traffic laws as other vehicles, which means riding on the right side of the road, with the flow of traffic.

Why it's illegal and dangerous:

- **Safety:** Riding against traffic increases the rise of collisions, especially at intersections, as drivers are not expecting a cyclist to be coming from that direction.

- **Traffic Laws:** Most jurisdictions require cyclists to ride on the

right side of the road, following the same rules as other vehicles.

- **Confusion:** Riding against traffic can confuse other drivers and cyclists, leading to potential accidents.

- **Increased Risk of Injury:** When a cyclist is hit by a car while riding against traffic, the impact speed and severity of injuries are often higher due to the opposing direction of travel.

Exceptions:

- In some cases, a one-way street may have a designated bicycle lane that allows for riding in the opposite direction.

- Cyclists may need to move to the left side of the road temporarily to avoid obstacles or hazards on the right.

Consequences:

- Fines or citations from law enforcement.
- Potential liability in the event of an accident.

In summary: it is generally illegal and dangerous to ride a bicycle on the wrong side of the road, against traffic. Always ride with the flow of traffic and follow all traffic laws to ensure your safety and the safety of others.

PEDESTRIAN RIGHT OF WAY ON WALKING PATH

Common Courtesy: Rules of the Path/Walking Trails

BE SAFE. BE KIND. BE RESPECTFUL.

- Pedestrians always have the right of way.

- No motorized vehicles are allowed, i.e. golf carts, dirt bikes, 4-wheelers, etc. Only official Maintenance and emergency vehicles allowed.

- Stay on the Path/Trails. Do not enter private property, or cross through the yards of homeowners along the path.

- Be aware of your surroundings and other path/trailer users. When wearing headphones, please ensure to have one ear uncovered.

- Always yield to slower users. If you have stopped, please move just off the trail.

- E-Bikes and bicycle speeds should be leisurely, keeping a safe distance from other users. Reduce

your speed for safety whenever necessary.

- Please keep to the right, and pass on the left. Tell people that you would like to pass prior to passing. Ringing a bell or calling out "on your left", works well.

- Dog owners: Please keep your pet on a short leash, pick up and discard waste in our doggie pots, if one is not available, please carry it home.

- If you bring it on the trails, take it with you when you leave. Never litter.

- Always leave the trail better than you found it.

Taking Pride in Arlington Park

Arlington Park as a neighborhood has long been considered a pillar of four collective communities as evidenced in the most recent edition of Fort Wayne Magazines "Neighborhoods of Distinction."

We all have a responsibility to set the bar to higher standards and respect our fellow neighbors who are: entertaining their friends, trying to sell their house (which helps our home values) or just sitting on the front porch, taking in our surroundings, and marveling at how fortunate we are to live in such a safe, picturesque environment.

Here are a few ways to make this an even better place to live:

ONE CART:

Recycle: The container is provided to use for your combined recyclables. Please store them out of sight after each pickup.

Pet Owners: Carry a bag with you on your walks with a scooper and if your dog is barking...maybe you should bring it inside.

Noise: It stays lighter longer now, but there are still jobs that we must all get up for, so the mowers, chain saws, and power washers should turn off by 9 p.m.

Parking: RVs, boats and campers. That's great that you have them, but there is NO storage allowed for them in Arlington Park. Storage needs should be met outside of the community.

Garbage: I know the city says that it is ok to place your containers out at noon the day before, but with our pickup being on Monday, we are asking members to wait until 6 p.m. so that those people visiting for open houses, graduations or church events, pull out of Arlington with nothing but well-kept homes in their rear view mirrors?

Pride & Respect: Leading by example. Our children are watching how we treat others and they are the ones that will keep this place a vibrant community to live in the years ahead.

Thank you,
Board of Directors

School bus transportation is safe.

In fact, buses are safer than cars! Even so, last year, approximately 26 students were killed and another 9,000 were injured in incidents involving school buses. More often than not, these deaths and injuries didn't occur in a crash, but as the pupils were entering and exiting the bus.

Stay away from the bus until it comes to a complete stop and the driver signals you to enter.

Stay away from the bus until the driver gives his/her signal that it's ok to approach.

Keep a safe distance between you and the bus. Also, remember that the bus driver can see you best when you are back away from the bus.

Have a safe place to wait for your bus, **away from traffic and the street.**

Be aware of the street traffic around you. Drivers are required to follow certain rules of the road concerning school buses, however, not all do.

When being dropped off, exit the bus and **walk ten giant steps away** from the bus.

Use the handrail to enter and exit the bus.

Protect yourself and watch out!

WE Put the Fun in FUN DAYS!..

Another Successful event in the books

WE definitely put the Fun in Fun Days!!

Thank you so much to everyone who came out yet again for another couple of days of fun. We had a phenomenal turnout for our parade, both as participants and spectators. What an amazing sight to see everyone in their patriotic gear, celebrating this great Country with their decorated bikes, stroller, golf carts, scooters etc. I hope I got pictures of all of you! I know that takes time and preparation, so thank you!! And we cannot say enough about the beautiful

horses from Three Rivers Horse Trails leading the parade, always a huge hit with the kids.

Our vendors had yet another record-breaking day of sales, thanks to everyone who came out to enjoy the Lions club's hamburgers, hotdogs, chips and popcorn, Sam's delicious elephant ears and amazing ice cream from the Big Dipper! I heard nothing but great things from our vendors, who are always so thankful to be a part of this Arlington tradition. Thank you for supporting them!

A huge thank you to our Pool

and concessions staff, for your amazing float, tossing out candy and handing out flags, the kids loved it. And our Pool managers and lifeguards for taking the time to provide games and prizes, tie-dyeing t-shirts, and keeping the kids entertained at the pool, we had a great turn-out there as well!

We were honored once again to have the DeeBee's playing for us from 7-10:00 p.m. and what a way to lead us into our amazing fireworks show with God Bless the USA!!! They sure put on a great show yet again this year with many

great reviews, and have signed on already to come back and play for us again next year!

As always, "Night Magic" put on yet another amazing show with their extended display of Fireworks this year! You did an amazing show! Again, we can't say it enough, what a privilege to have such a great show right here at home, in Arlington Park, the grounds were full and we know that many witnessed the spectacular show from their own backyards, it doesn't get any better than that!! Always great watching the kids make the best

of their times while waiting for the fireworks by tossing a ball around, playing in the jump house, waving their flags and patriotic pin wheels, making a ruckus with their noise makers (you're welcome parents lol) while sporting their glow in the dark bracelets.

Thank you to everyone who helped set up, tear down, maintenance, couldn't have done it without you, Pool Managers, lifeguards for all of your hard work It truly takes a Village to pull off such an amazingly FUN event!! See you all next year!!

WE Put the Fun in FUN DAYS!..

See You
Next Year!
