National Night Out!

On Oct 6th, we had our Annual National Night Out. The Sheriff's office as well as the Fire and EMS office came out to share safety resources. Bob also provided National Child ID kits (if you weren't able to attend and would like a kit, please contact Bob at bob@thelegendsatfischer.com

It was a great way to meet new neighbors. We had about 50 neighbors attend and the Board of Directors provided hot dogs, chips, drinks and cookies.

Haunted Forest:

If you didn't make it to the Haunted Forest this year on McKinney Way, be sure to add it to your list for next Halloween! For over eight years, Betty and Don Elliott have transformed the wooded lot next to their home into a spooky, themed experience that gets more elaborate every year.

This year's theme was "Pirates" following past favorites like "Witches Convention" ,"Renaissance - Sherwood Forest" and "Alien Encounter."

Next year's theme: "Hippie Halloween" Decorations are usually up by October 31st (sometimes earlier, weather permitting), and the forest is open to the whole neighborhood. The fun now includes a Halloween potluck and live music, making it a must-see event!

Hi, neighbors!

If you've been wondering what homes are selling for or how long they're staying on the market, you're not alone. As a neighbor in The Legends, I love keeping up with what's happening right here in Rancho Del Lago and throughout the surrounding Hill Country.

Today's buyers have more choices, and some homes may take a little longer to sell. That makes thoughtful pricing, strong presentation, and a clear understanding of our local market more important than ever. Every neighborhood and property is unique, so having someone who knows the area can make a real difference.

Whether you're thinking about buying, selling, or simply curious about what your home may be worth, I'm always happy to be a resource.

Best,

Angie Row | REALTOR®
