PATRICIA ISLAND ARCHITECTURAL COMMITTEE SUBMISSION, Cont'd

Owners Acknowledgements: I understand:

- That I have a copy and have reviewed the Deed of Dedication and Restrictive Covenants for my Phase and Lot;
- That there are architectural requirements covered by the Deed of Dedication and Restrictive Covenants and a review process established by the restrictive covenants and the Patricia Island Estates Architectural Committee;
- My Builder has received a copy of the Storm Water Pollution Prevention/Operation & Maintenance Plan;
- That no work on this request shall commence until I have received approval of the Architectural Committee;
- Any construction or alteration of the property prior to approval of the project by the AC is strictly prohibited. If I have commenced or completed any construction or alteration to the subject property and any part of this application is disapproved, I may be required to return the subject property to its original condition at MY OWN EXPENSE. If I refuse to do so in a timely manner and Patricia Island Architectural Committee (PIARC) incurs any legal fees related to my construction and/or application, I will reimburse PIARC for all legal expenses incurred.
- That any approval is contingent upon construction or alterations are complete in a timely and orderly manner;
- All proposed improvements to the property must comply with City, County, State and Local Codes. I understand applications for all required building permits are my responsibility. Nothing herein shall be construed as a waiver of modification of any codes. My signature indicates that these standards are understood and met to the best of my knowledge.
- That any variation from the original application must be resubmitted for approval;
- That if approved, said alteration must be maintained per the Deed of Dedication and Restrictive Covenants for Patricia Island Estates;
- This alteration will not detrimentally affect the proper drainage of any common areas or surrounding lots. I will be responsible at my expense to correct any drainage problems to such areas that may occur as a result of this work or alteration.
- *The Builder/Applicant acknowledges and agrees that the Architectural Committee assume no liability resulting from the approval or disapproval of any plans submitted. The Architectural Committee assume no liability and make no representations regarding the adequacy or quality of any submitted plans or whether such plans comply with any or all governing authority requirements. The Architectural Committee review, comments and/or approvals do not relieve the builder/applicant of their responsibility and obligation to comply with the Deed of Dedication and Restrictive Covenants. The builder/applicant agrees to grant the Architectural Committee access to the property at any reasonable hour to inspect and ensure for compliance issues.*
- *It is the duty of the owner and the contractor employed by the owner to determine that the proposed improvement is structurally, mechanically and otherwise safe and that it is designed and constructed in compliance with applicable building codes, fire codes, other laws or regulations and sound practices.*

I certify that the above information is an accurate representation of the proposed improvements and that the work will conform to applicable codes, covenants, and standards. I also certify that the improvements will be completed in accordance with the approved application. I understand that construction is not to begin until approval has been received from the Architectural Committee. The Architectural Committee has permission to enter the property to make inspections, as they deem necessary.
