# Event Descriptions

## **Five Card Bingo (18+ only)**

A variation on the classic game of BINGO, in this version players select a “hand” of five playing cards. A deck of cards is then shuffled and pulled at random. The first player to mark all five cards in their hand wins bingo.

## **Dirty Bingo (18+ only)**

Dirty Bingo is a playful and adult-oriented version of the classic game where players will connect the dots in delightfully dirty patterns instead of a direct line. Instead of traditional bingo prizes, participants win adult-themed or risqué items, such as gag gifts, naughty novelties, or adult beverages.

## **Candy Bar Bingo (all ages)**

Candy Bar Bingo is a delightful twist on the classic game, where participants play bingo to win sweet treats instead of cash prizes. Players mark off squares on their bingo cards as the caller announces numbers. The winner of each round gets a prize pack of popular candy as a prize, adding a tasty element of fun to the traditional bingo experience.

## **Theme Basket Raffle**

***Please Note: Raffle contributions are voluntary.***

- Create a basket with a theme of your choosing and fill it with goodies.
- Wrap everything up in clear cellophane.
- Bring it down to the beach on 8/30/25. Please do not drop off before 10:30 am.

Beginning at noon, people can buy raffle tickets and place them in the paper bags in front of the item(s) they hope to win. At 3:30pm we will begin to draw the winning tickets. All proceeds fund the Entertainment Committee.

## **Fire Crawl**

A fire crawl is similar to a potluck, but the hosting is spread across three locations. Guests stay about an hour and ½ at the location before heading to the next stop. All attendees should bring a chair and beverages.

- 6pm Appetizers at location #1
- 7:30 pm Main dishes at location #2
- 9 pm Dessert at location #3

Participants may contribute a dish to any stop. All contributions are voluntary.

## **Trivia Night (18+)**

Trivia Night is a fun event where teams or individuals answer questions on various topics to win prizes. It's a great way to test your knowledge, compete with friends, and learn new facts in a social and entertaining setting

## **Bocce Tournament**

Bocce is a traditional Italian game where players aim to roll their balls as close as possible to a smaller target ball called the pallino. It is played on a flat surface, typically a court or grassy area, and requires strategy and precision to outmaneuver opponents.

## **Cornhole**

Cornhole is a popular outdoor game where players take turns tossing bean bags towards a raised wooden platform with a hole in it. The goal is to score points by getting the bean bag into the hole or landing it on the platform.

### **Fishing Derby**

A fishing derby is a fun event where people compete to catch the biggest or most fish in a certain amount of time. Anglers cast their lines into the water and try to reel in the largest or most fish to win prizes. It's a friendly competition where fishing fans of all ages come together to have fun and enjoy the excitement of catching fish.

### **Race Night/Derby Party (All Ages)**

A simulcast race night is a fun event where people watch horse races from different places on big screens. You can bet on the races and feel the excitement. It's like being at the track but in a private setting. Attendees have the opportunity to place bets on the races, adding an element of competition and anticipation to the evening.

### **Queen of Hearts (18+)**

In a Queen of Hearts raffle, participants purchase tickets for a chance to win a cash jackpot. The raffle revolves around a deck of cards, with each card representing a ticket number. The Queen of Hearts card is hidden within the deck. At regular intervals, a ticket is drawn, and the corresponding card is revealed. If it's the Queen of Hearts, the lucky ticket holder wins the jackpot. If not, the game continues to the next scheduled drawing until the Queen of Hearts is found.

Winners must be present at the drawing to collect the prize.
