The below listed fees shall not be considered an advance payment of any Assessments set forth herein and are not refundable. Fees are not pro-rated.

I. Fees Upon Sale. The Association or Manager may, and likely will, have fees, which will be charged to an Owner for the transfer of a significant estate or fee simple title to a Lot

and the issuance of a "Resale Certificate" (herein so called). The Association or Manager shall not be required to issue a Resale Certificate until payment for the cost thereof has been received by the Association or its agent. Transfer fees and fees for the issuance of a Resale Certificate shall in no event exceed the rates allowed in Chapter 207 of the Texas Property Code for each Lot being conveyed and are not refundable and may not be regarded as a prepayment of or credit against regular or special assessments, and are in addition to any other contribution which may exist or be established from time to time. Beginning on the date of its purchase and continuing for 90 days thereafter ("90-day Grace Period"), a Resale Certificate can be updated free of any additional charge. (b) Common Area Expenses. The Association shall establish the amount sufficient in the judgment of the Association to pay all Common Area Expenses when due and possesses the right, but not the obligation to establish and maintain a reserve fund for such purposes. The amount established to pay Common Area Expenses shall be assessed to the Owners and against the Lots (the "Regular Assessments"), shall be divided, allocated and assessed equally among the total number of Lots and shall be due and payable semi-annually, or on such dates as otherwise established by the Association, and shall be applied to the payment of Common Area Expenses for which the Association is responsible.

(c) Budget for Common Area Expenses. Prior to the commencement of each fiscal year of the Association, the Association shall establish and adopt the Budget for the next following fiscal year, notify Owners of such Budget and make the Budget available for review by all Owners. No further communication shall be necessary to establish the amount of each Owner's obligation regarding the Regular Assessments payable under this Declaration, and the failure of the Association to timely notify and make available for review by Owners such Budget shall not excuse or relieve an Owner from the payment

of the Regular Assessments contemplated thereby, in which case, each Owner shall continue to pay to the Association an amount equal to such Owner's Regular Assessments and on the same schedule as established pursuant to the most recent Budget made available to the Owners. The Board shall have the right to amend the Budget at any time in which event the portion of the Regular Assessments assessed against each Lot and the corresponding payment obligation of each Owner shall be adjusted accordingly. Notwithstanding the foregoing, no Budget, or amendment thereof, may increase the amount of Regular Assessments allocated to a Lot and payable by an Owner by more than 25% from the immediately preceding fiscal year, without the affirmative vote of at least 51% of the Members entitled to vote at such time. The maximum annual assessment for each Lot for the year 2025 shall be Two Hundred and Twenty Five AND No/100 Dollars (\$225.00). Assessments are not refundable and shall not be prorated. The annual assessments shall not exceed Five Hundred and No/100 Dollars (\$500.00) without the approval of at least fifty-one percent (51%) of the Members eligible to vote at the time of such decision. Upon reaching an annual assessment of \$500.00, the Board may, at its discretion, increase the assessments annually by an amount not exceeding the annual inflation rate, as measured by the Consumer Price Index for All Urban Consumers (CPI-U), without requiring a vote of the Members. Any proposed increase exceeding the annual inflation rate shall require the approval of at least fifty-one percent (51%) of the Members eligible to vote.

(d) Special Assessments by Association. In addition to the Regular Assessments contemplated in this Declaration, the Association shall establish Special Assessments from time to time as may be necessary in the judgment of the Association to pay (i) non-recurring Common Area Expenses relating to the maintenance, care, alteration, improvement, replacement, operation and management of the Property and the administration of the Association; (ii) capital expenditures necessary to replace Improvements on or within the Common Area; (iii) additional Common Area Expenses if the Regular Assessments are not sufficient to cover all of the Common Area Expenses and (iv) contractual and other liabilities of the Association that have not been included in the Budget. Special Assessments so established shall be payable by and allocated among the total number of Lots and allocated to each Owner based upon the number of Lots such Owner owns within 30 days of receipt of notice of such Special Assessment, or as otherwise specified in such notice.

Section 2. Individual Assessments. In addition to the Regular Assessments and the Special Assessments contemplated in this Article III, the Association shall

possess the right, power and authority to establish or levy the Individual Assessments in accordance with the provisions of this Amended and Restated Declaration against an individual Owner and its Lot for Charges properly borne solely by one or more but less than all Owners, such as (without limitation) charges for additional services, damages, fines or fees, interest, collection costs, attorneys' fees, insurance deductible payments or any other amount owing the Association by an Owner. The Individual Assessments shall be the personal obligation of the Owner against whom the Individual Assessment is assessed, and shall constitute a lien against the Lot in the same manner and with the same consequences as the Regular Assessment and any duly authorized Special Assessment.

Section 3. Obligation to Pay Assessments. Each Owner shall be personally obligated to pay the Owner's share of all Assessments to the Association in the amounts and on the dates established pursuant to this Amended and Restated Declaration. Unpaid Assessments due as of the date of the conveyance or transfer of a Lot, or a portion thereof, shall not constitute a personal or entity obligation, as applicable, of the new Owner but the lien provided for in Section 4 below shall not be affected by such conveyance as the former Owner shall continue to have personal or entity liability for such unpaid Assessments. No Owner shall be entitled to exemption from liability for the Owner's obligation to pay such Assessments for any reason, including claims of (a) waiver of the use and enjoyment of the Common Area or the facilities as to which any Assessments relate; (b) an abandonment or vacation of the Lot or Improvements thereon; (c) offsets or reductions; and (d) the Association, or the Board or any other entity is not properly exercising its duties and powers under the Governing Documents. Any Assessment not paid within 30 days of the date due thereof shall bear interest at the Past Due Rate, and shall be recoverable by the Association, together with interest as aforesaid and all costs and expenses of administering the Past Due Payment Plan, hereinafter defined, and other collection methods, including reasonable attorneys' fees, by suit in a court of competent jurisdiction or in a mediation or arbitration in the County pursuant to the provisions of Article XIV of this Amended and Restated Declaration. The Association shall adopt and record in the Real Property Records guidelines establishing an alternative payment schedule by which an Owner may make partial payments to the Association for delinquent Assessments pursuant to such guidelines (the "Past Due Payment Plan"). It shall be the responsibility of the Association to collect any such delinquent Assessments, the existence of which shall be made known by written notice delivered to the defaulting Owner and, if requested, the Owner's Mortgagee pursuant to and in accordance with the Act.

Section 4. Lien to Secure Payment of Assessments. The Association hereby reserves a lien against each Lot which shall be and constitute a lien and encumbrance, in favor of the Association, upon such Lot to secure payment

of Assessments. Subject to Section 9 of this Amended and Restated Declaration, the liens established in this Amended and Restated Declaration shall be prior and superior to all other liens and encumbrances subsequently created upon such Lot regardless of how created, evidenced or perfected, other than the liens for Governmental Impositions. So long as the Association satisfies the requirements set forth in the Act, and any other applicable Legal Requirement with regard to delinquent assessments and foreclosure of assessment liens, assessment liens created in this Amended and Restated Declaration may be foreclosed on or enforced by any means available at law or in equity. The lien securing the obligation for the payment of Assessments shall not be enforceable against the purchaser at a foreclosure sale of a lien encumbering a Lot in order to satisfy the indebtedness for a Mortgagee (or against the grantee by deed in lieu of any such foreclosure) for any Assessments which became payable prior to the date of such foreclosure sale (or conveyance in lieu thereof); provided, however, in no event shall a defaulting Owner be relieved from liability incurred for unpaid Assessments owed by such Owner.

- Section 5. Commencement of Obligation to Pay Assessments. Each Owner shall be obligated to commence payment of all Assessments against a Lot on the date the Lot is conveyed to the Owner. On the date on which a Lot is conveyed to an Owner, such Owner shall be obligated to pay only the Assessment against such Lot for the following year. Annual assessments shall be payable in advance on the first (1st) business day January each year; provided, if the Board so elects. annual assessments may be paid in monthly, quarterly, or semi-annual installments.
- Section 6. Notice of Default. If an Owner defaults in the Owner's monetary obligations to the Association, the Association shall notify the Owner and other lien holders in accordance with the Act and shall state the Association's intent to foreclose its lien.
- Section 7. Alternative Actions. Nothing contained in this Amended and Restated Declaration prohibits the Association from taking a deed in lieu of foreclosure from an Owner or from filing suit to recover a money judgment for sums that may be secured by the Association's lien.
- Section 8. Statement of Expenses and Access to Records. Upon proper delivery of a written request from an Owner to the Board or the Manager containing the requisite information as set forth in the Act, the Association shall provide current copies of or make reasonably available for examination, the requested books, records, financial statements and any other requested information maintained by the Association in accordance with the Bylaws, any record retention policy adopted by the Board and filed of record in the Real Property Records, and the Act. The costs associated with compilation, production and reproduction of information contemplated in this Section 8

shall be set forth in the records retention, inspection, production and copying policy adopted by the Board.

- Section 9. Subordination of Lien for Assessments. The lien for the payment of Assessments shall be subordinate to the lien of any valid mortgage or deed of trust that secures lien indebtedness from an Owner for a Lot that was recorded prior to the date any such Assessment becomes delinquent under the provisions of this Amended and Restated Declaration. A sale or transfer of any lot will not affect the assessment lien.

ARTICLE IV. PROPERTY RIGHTS

- Section 1. Owner's easements of enjoyment. Every owner of a lot will have a right and easement of enjoyment in and to the common area which will be appurtenant to and will pass with the title to such lot, subject to the following rights of the Association:

There will exist reciprocal appurtenant easements as between adjacent lots and between each lot and any adjacent portion or portions of the common area for any encroachment due to the placement, settling, or shifting of the improvements constructed, reconstructed, or altered thereon, provided such construction, reconstruction, or alteration is in accordance with the terms of this declaration. Such easement will exist to a distance of not more than one (1)

No easement for encroachment will exist as to any encroachment occurring due to the willful conduct of an Owner.

(c) There will exist appurtenant easements of access to all private streets within the subdivision to the County of Tom Green for the use of city personnel and equipment on County business, for law enforcement, fire protection and emergency medical service agencies and personnel.

- Section 6. No partition. There will be no judicial partition of the common area, nor will any Owner or any other person acquiring any interest in the subdivision or any part of it, seek judicial partition of the common area. However, nothing contained in this declaration will be construed to prevent judicial partition of any lot owned in co-tenancy. No Lot may be subdivided.
- Section 7. Power to Grant Easements. The Association (to the extent permitted by the Act) shall have the power to grant access, utility, drainage, water facility and any other easements in, on, over or under the Common Areas for any lawful purpose, including without limitation, the provision of emergency services, utilities (including water, sanitary sewer, storm sewer, gas, and other energy services), telephone, cable television, fiber optic, and other telecommunication services, and other uses or services to one or more of the Owners, subject to the prior review and approval of such easement by the Association.
