

NORTHLAKE VOLUNTEER SPOTLIGHT

We would like to shine our neighborly spotlight on

Mrs. Shirley Ealey

● Mrs. Ealey has lived in the Northlake Community for the last 35 years.

● She has served as President, Vice President, and Secretary of Northlake's Homeowners Association throughout the years.

● She has also assisted with organizing many community block parties in our community.

She is currently serving on the Social and Communications Committees. Mrs. Ealey has continuously served our community because she is motivated by the care and concern that the community shows towards each other.

Mrs. Ealey loves to spend her free time reading and she is a BIG fan of our neighbor, Ms. Brenda Jackson.

Mrs. Ealey also enjoys traveling and participating with her beloved sorority, Alpha Kappa Alpha (AKA).

Additionally, she loves working with her church family at Second Missionary Baptist Church, which she has been a member of all her life.

Mrs. Ealey worked in tele-communication for 34 years. When she started her career, she worked for Southern Bell and by the time she retired, the company changed their name to Bell South.

When asked what she would say to other residents in Northlake to compel them to volunteer, Mrs. Ealey replied, *"Do it for the love of your community. Care about the people you live around because we are a family. Participating in activities within our community makes everything great when we all do our part and work together as a family."*
