Swim at your own risk pool rules.

I, _____ agree to abide by the following rules when utilizing the pool during 'swim at your own risk' hours, which is anytime when the lifeguard is not on duty.

I will not utilize the pool area outside of the hours of 8.00 am – 10.00 pm.

I will not disclose the pool lockbox number to anyone other than members of my own household that are 18 years of age or older that have signed this agreement below.

I will not facilitate the unsupervised use of the pool by anyone under the age of 18.

I will not allow access to the pool area of anyone that I do not know to be a Class B or Class C resident, unless they are my guests in which case I accept full responsibility for their behavior while in the pool area.

If I admit a resident that has not been allocated the lockbox number, I will not disclose the lockbox number to them and I will ensure that they have vacated the pool area before I leave and I will lock up the pool area and return the keys to the pool lockbox.

I will abide by all posted pool rules, excluding those that refer to the actions and authority of the lifeguard, during swim at your own risk periods.

I accept full liability for the safety of myself, any minors present and anyone I admit to the pool area that has not signed this agreement.

On leaving the pool area during a time when there is no lifeguard on duty I will ensure that the pump house, restrooms and pool gate padlocks are all locked.
