

Rule #10: Building Permits

~~(a) When building, remodeling, or renovating their properties, MGCA Members must obtain all required building permits and comply with all applicable building codes as mandated by West Cornwall Township including those which govern the installation of plumbing, heating systems, and electrical lines and equipment.~~

~~(b) Renovation work and construction projects which alter the external boundaries of an existing structure, including the installation of driveways or parking areas, also require a Campmeeting Building Permit. A Campmeeting Building Permit is obtained by contacting the Mt. Gretna Campmeeting office during normal business hours. A plot plan is required, and a current property survey may be required to be attached to the Application. Applications are subject to approval by the Board of Managers. No Permit shall be required from the Board of Managers for painting, siding, or routine general maintenance of any building.~~

~~(c) If a variance is needed, the MGCA Members shall come before the Board of Managers at a regular meeting with construction plans to explain the project. If the Board votes in favor of the homeowner, the President will sign the building permit. If the Board votes against the plans for a variance, the building permit will not be signed and the Lebanon County Planning Department will be so informed. If there is a hearing by the homeowner before the zoning Board to obtain a variance, the President and/or an appointed representative of the Board, shall attend the hearing to voice opposition to granting the variance.~~ Campmeeting building permits may be required for exterior projects and renovations. Building permit

requirements and the application process is in accordance with the MGCA Building Permit Policy. This policy and related forms are available on the MGCA website and from the MGCA Office.
