

### **Rule #13: Sewer, ~~and~~ Water Lines, and Curb Stops**

MGCA Members are responsible for sewer lines from their structures to the main connection,.

Members are also responsible for their water lines to and including the curb stops, and ~~for keeping~~ are encouraged to make sure the curb stops is identifiable and in working order. It is strongly encouraged that Members complete a Curb Stop Emergency Access Authorization form; without this form the MGCA may not access Member owned curb stops in an emergency.

The relocation, upgrading, or addition of household waste lines or water lines which must be connected to Campmeeting sewer and water mains must be inspected by a licensed plumber or electrical inspection agency before any work is done on the property. A Campmeeting Building Permit must be obtained by contacting the MGCA business office during regular business hours.
