**SOFT  
OR  
SAGGING  
FLOORS?**

**WE FIX MOBILE HOME SUBFLOORS RIGHT.**  
**floridaanchorandbarrier.com**

**BEFORE** - Soft, Unsafe, Damaged

**AFTER** - Solid, Level, Safe

Spongy floors aren't **normal** — they're a **WARNING SIGN.**

### **YOUR FLOOR SHOULD NOT FEEL LIKE THIS:**

- Soft or "spongy" when walking
- Sagging or dipping areas
- Squeaking or shifting
- Weak spots near bathrooms or kitchens
- Flooring separating or bubbling
- Musty smells coming from floor
- Floors can eventually collapse

#### **FLORIDA MOBILE HOME SPECIALISTS**

- Crawlspace & vapor barrier experts
- Clean, professional work
- Honest, no-pressure assessments
- We also do carports & AC Ducts

#### **SMALL SOFT SPOTS TURN INTO BIG SOFT SPOTS**

Moisture destroys subfloors from underneath  
Floors can eventually collapse  
Repairs become more expensive over time

### **DON'T WAIT UNTIL YOUR FLOOR FAILS**

*We replace entire rooms for guaranteed subfloor integrity.*

## PRESIDENT'S LETTER

Hope everyone is enjoying their summer and spending time with family and friends, especially those cute grandkids. I know I am repeating myself, but we cannot stress how important it is that you make your properties hurricane ready. If you need information on how to do this, there are many resources available. See the office if you need help with accessing this information.

The board is busy finalizing SOP's, proposed amendments to our documents, and reviewing the proposed budget for 2027. More information will be coming about these topics. We had a meeting in July to discuss these topics.

Thanks to all the many people that make our Village a great place to live. If you are not involved, you should consider becoming a member of a committee that could benefit from your skill set or become a director on the Board.

As always be part of the solution not part of the problem.

Be safe and God bless!

Tom Hilton  
President

## MANAGER'S REPORT

August is here and VHL is in full storm-preparation mode, including property cleanup. Rain has finally become more regular, and we have already had a few storms. A couple of weeks ago, lightning struck the transformer outside the Maintenance Building, and FP&L has replaced it. We cannot stress enough the importance of bringing in loose items outside your homes during this season. Charlotte County is still under water shortage advisories until October 1, 2026.

The CERT Team held their annual inspection of emergency equipment throughout the community on Sunday. They inspected fire extinguishers, emergency lighting, etc. They are also helping me to update the VHL Emergency Procedures handout. The current copy can be found on EasyHOA website or by requesting a copy from the office.

The boat dock extensions for 10 docks were completed and that project is complete; all inspections passed satisfactorily. Thanks to everyone involved for getting this much needed project done. Work on swales and roads has also been completed. The maintenance crew will be touching up the paint on the pickleball courts. We also have some minor repairs to the ladders on the heated pool, and we expect this work to be done by the beginning of August.

Weeds are becoming an issue again, especially

in the driveway cracks. Notices were sent out last week and we'll be sending another group out this week. In the notices, we include the contact information of 3 owners in VHL that would be glad to assist you while you are out of town for the summer to maintain the weeds. If you need assistance or would like to provide an update, please email or call the office at your convenience.

For newer owners, please be sure to join Coffee Hour on Wednesdays beginning at 10:00 AM. Coffee and donuts are available for purchase.

As I mentioned last month, the Board will be sharing proposed amendments to the Declaration, Bylaws and other governing documents. One important update will be adding language to clarify and enforce the VHL maximum 2-lot ownership policy; we need to ensure investors are not purchasing more than 2 lots per the rules of the community.

**Reminder:** If you are planning to do any work on the exterior of your home, an **approved** VHL Environmental Application is required **before** any work begins. The forms are available on the website or by contacting the office. Remember to check with the Charlotte County permitting office to verify if a county permit is also required.

Lisa Anderson  
Community Association Manager

## EMERGENCY PREPAREDNESS / CERT

*(Community Emergency Response Team)*

The Emergency Preparedness team and CERT members completed an inspection of the Recreation Hall, pool areas, office, maintenance shed, Workshop, and storage areas on July 19, 2026.

Most emergency equipment and common areas were found to be properly maintained, operational, and safe. However, the office and board were made aware of a few items that will require attention. Positive findings included recently inspected and tagged fire extinguishers, functioning exit signs and emergency lighting, adequately stocked first-aid kits, AED's in operating condition, clear and safe common areas, and properly operating CERT emergency lights and generator.

## SHERIFF'S OFFICE "CALLS FOR SERVICE" REPORT

Date: 07/07/2026

Total calls: 38

- CPO meeting: 1
- Medical: 1
- CPO Resolution: 2
- Information: 2
- Juvenile Probation check: 28
- Directed Patrol: 4

Report prepared for the Village of Holiday Lake by DFC D. Ierfino.

As a reminder, call 911 for emergencies. For non-emergencies, please contact the Sheriff's Office at 941-639-2101.

"If you see something, say something." — Dick Sutton

## NEIGHBORHOOD WATCH

Patrols have been uneventful, with very few concerns reported.

Best regards,  
Rick Wright

**VAPOR BARRIERS • A/C DUCTS • CARPORTS • HURRICANE ANCHORS**

Most homeowners don't realize **what's happening underneath their home...**

Rotting subfloors  
Mold and musty odors  
High A/C bills  
Deteriorating AC ducts

**BEFORE**

**YOUR CRAWLSPACE  
SHOULD BE CLEAN,  
DRY, AND PROTECTED**

**AFTER**

**Signs you have moisture issues:**

Musty smell inside your home  
Floors feel soft & spongy  
High energy bills  
Visible moisture or standing water

**FLORIDA MOBILE HOME SPECIALISTS**

Vapor barrier installation & replacement  
A/C duct repair & full replacement  
Hurricane anchors & tie-down systems

Leveling, Skirting, and Windows

It gets worse over time

It spreads damage throughout your home

**DON'T WAIT UNTIL DAMAGE GETS WORSE**
