Dear,

Notification of client categorisation

In line with the Financial Conduct Authority (FCA)'s rules on Client Categorisation, we must classify our clients as either Retail clients, Professional clients or Eligible counterparties. This is to ensure that that when carrying out business with you, we can provide the level of information, services and protection that is appropriate for, and consistent with, your categorisation.

The purpose of this Notification Letter is to advise you that based on the information you have provided to us, we have categorised you as a Professional Client.

This categorisation will apply to all of our MiFID-related business with you unless we agree otherwise.

You have the right to request, in writing, a different categorisation that would offer you a higher or lower level of protection as a client. However, please note that we may decline such a request and refuse to deal with you in that circumstance.

If you request and we agree to you being reclassified as an Elective Eligible Counterparty, you will lose the regulatory protections afforded by the best execution and order handling rules and some of the Conduct of Business rules afforded to Professional Clients. This letter supersedes all previous client categorisation notifications.

Should you require further information, wish to discuss your classification or request reclassification, please contact the Compliance Officer.

Yours faithfully/sincerely

Following receipt of your written request in which you stated that you wish to be treated as a professional client, this provides a warning of the protections and investor compensation rights that you may lose.
