

HERITAGE OF FAITH—MT HAGEN

From humble beginnings, with hungry hearts, a small group of six women from Papua New Guinea visited with us in 2014 and is now our second Heritage of Faith church in that PNG.

Currently the congregation of 38 people gather each week in a tent to hear The Word of God. Right now, this church is being

cared for by Warren and Nancy Muso who have offered a place on their land to hold the meetings. At Easter a group of ladies from Mt Hagen will be travelling to spend time with Ps Joyce for a week of teaching and fellowship.

Salvation Prayer

If you have never had a relationship with Jesus, or perhaps you did once, but you are now away from Him, right now we want to encourage you to pray this prayer.

Dear Jesus, right now, I want to make the decision to stop living my life my own way and begin living it Your way. I ask that You would forgive me for all my sins, give me a brand new start today and a hope for the future. I want to be a Christian, a follower of Jesus Christ, for the rest of my life. Amen.

If you prayed this prayer, for the first time, please contact us and tell us about it, we want to give you a FREE mini book to get you started winning in life.

HERITAGE OF FAITH LIVING WATERS PNG

From the pen of Pastor Joyce Valilio

Recently, during my time in prayer, The Lord has given me a scripture concerning PNG and Australia.

Isaiah 54:2 and 3 *Enlarge the place of thy tent, and let them stretch forth the curtains of thine habitations: spare not, lengthen thy cords, and strengthen thy stakes; For thou shalt break forth on the right hand and on the left; and thy seed shall inherit the Gentiles, and make the desolate cities to be inhabited.*

What I believe God is going to do is stretch the church in Australia and PNG and take us to a place of enlarging our tent and branching out from here through growth which I believe is going to take place through prayer.

The prophecy from Jerry Savelle for 2015 has been strong upon my heart that in order for this prophecy to come into fulfilment we all have to prepare ourselves by preparing our hearts, as everyone is going to be enlarged and stretched.

I believe that as each individual prepares themselves through prayer, The Word of God and fellowship with *Loverboy then the prophecy of Visitations, Manifestations and Demonstrations will bring God's glory upon the church but, everyone has to be prepared and we are not to hold back. Know that before the enlargement there will be a stretching inside of us to make sure that we can carry the Glory because it's going to be a huge part of that prophecy.

Update on Heritage of Faith Living Waters

The church here is growing and we now have a total of 150 committed people in our church. Praise God!

Another area that we want to see growth in is getting the Gospel out to our people through radio which I have good access to here.

So I am looking for sponsors both here in PNG as well as in Australia to cover the costs of radio air time which will allow us to preach the Gospel to a greater area. This was on my husband, Pastor Johns' heart, to get the Gospel out and all over our nation and I am willing and prepared to do this and with your help, I believe the work to be done, in Jesus Name. Amen.

*Loverboy = God

On a personal note, it has been one year since my John went ahead to be with The Lord .

The burden that the Lord had put on both of us was to start a church here. John had the vision and the heart for his people and wanted the Gospel to be going out all over this nation.

As I see it, John laid the foundation, built me a building, built me my pulpit, he did the whole thing, it is up to me now to take it and run with the legacy.

But it all came up from John let's make it clear because our family was privileged enough to live in Australia and to be exposed to very good teaching and resources but our own people here in PNG were not, so our hearts desire is for our people to be able to receive that good teaching.

For me, I have been challenging the church here to enlarge their thinking, prayer life and time with Holy Spirit.

Thank you for your prayers and support and from all of us here in PNG, God Bless you love to all.
