SALVATION PRAYER

If you have never had a relationship with Jesus, or perhaps you did once, but you're now away from Him, right now we want to encourage you to pray this prayer:

Dear Jesus, right now, I want to make the decision to stop living my life my own way and begin living it Your way. I ask that You would forgive me for all my sins, give me a brand new start today and a hope for the future. I want to be a Christian, a follower of Jesus Christ, for the rest of my life. Amen.

If you prayed this prayer, for the first time, please contact us and tell us about it, we want to give you a FREE mini book to get you started winning in life.

HERITAGE OF FAITH - PNG

While Pastor Joyce Valilio was here for the *Chosen Ladies Conference September 11th and 12th*, we had the opportunity to speak with her and she radiated the love of Jesus as she told us what God was doing in her Nation of Papua New Guinea.

Since 2011, the 26th of August each year has been proclaimed as a Public Holiday by the Prime Minister and it is 'National Repentance Day' for the whole Nation.

Pastor Joyce was asked to pray and speak on the National radio at 5am with a room full of Pastors (men) and The Lord presided over that broadcast with favour. This is God's hand moving. The cultural barriers in PNG have women not as equals with men, but rather subordinate, so for Pastor Joyce to be the *main speaker*, was a huge breakthrough. This is significant! Glory to God.

The whole Event is set to an Official Programme and the Army, Police, Doctors, Financiers, Politicians, School Teachers, Pastors and Village and Town Elders all come to repent and pray for neglecting their duties or any other sins they have committed.

Every business, office, shop and government office closes down from 9am to 2pm and representatives from all of the 22 Provinces (States) gather together in central locations. In towns and small villages they all march from one end to the other. In Port Moresby thousands gather at the large sports ground all proclaiming Jesus over the nation.

Many of the people in PNG combine their Christian faith with some traditional indigenous religious practices, however, in 2000 the census found that **96%** of population identified themselves as members of a Christian church. God is moving mightily in Papua New Guinea. Praise His Name.

OPERATION EXODUS—ISRAEL

www.operation-exodus-seao.org

MONDAY 28TH SEPTEMBER

And the LORD said *"When seventy years have been completed for Babylon, I will visit you and fulfil my good word to you, to bring you back to this place. [Jerusalem] Jeremiah 29:10*

Seventy years after Europe was liberated from the Nazi regime which brought death and destruction to the Jewish population, we have seen a series of extraordinary signs in the heavens: a tetrad of blood-red moons, interspersed with solar eclipses. Four lunar eclipses occur on consecutive Biblical feast days, Passover and Feast of Tabernacles, spread across two years.

On **MONDAY 28TH SEPTEMBER**, we will witness the conclusion of the tetrad: a lunar eclipse, **a forth blood-red moon**, falls on the very first day of the Feast of Tabernacles which welcomes the Glory of God's protection and the coming of His presence to all Jews and Gentiles alike, Israel's most joyful feast, and it will be a **"supermoon," clearly visible from the city of Jerusalem.**

Then God said: *"Let there be lights in the expanse of the heavens... for signs and for seasons..." Genesis 1:14*

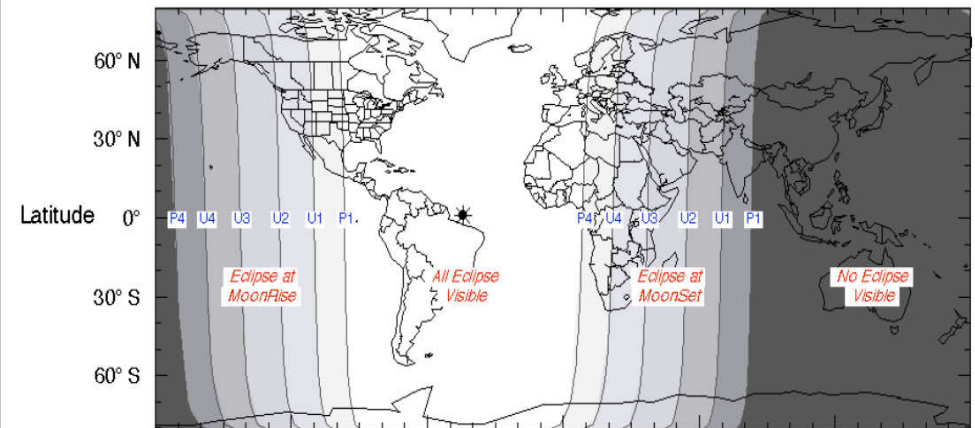

SIGNS IN THE HEAVENS

The extraordinary confluence of signs in the heavens surely heralds a unique time in history, a unique time in the purposes of God, even a mighty move of God on earth.

Might God be signalling a final great ingathering of His people, of those who remain captive in exile in the nations? Is it time for their release? Are we seeing before our eyes a signal for the nations as spoken of by Isaiah the prophet? *'And He will raise up a signal for the nations and will assemble the outcasts of Israel and will gather together the dispersed of Judah from the four corners of the earth.'* **Isaiah 11:12**

Our response must be: to be alert, to listen, to prepare, to watch and to pray!

This **amazing phenomenon of "BIBLICAL" BLOOD MOONS** has occurred only 7 previous times in world history since 3000 BC.

The Lord has called Ebenezer - Operation Exodus to be an intercessory ministry for the worldwide return of the Jewish people to Israel prophesied in Scripture. He is raising a body of intercessors in the nations to stand on the promises of His revealed Word about aliyah and the exodus to come and proclaim them in faith.
