CHRISTMAS SHOE PROJECT

AFRICA

Sometimes while helping children survive another day, we lose sight of the little things in life that children are meant to enjoy, something simple like a new pair of shoes! "Christmas joy comes in pairs!" Sharing the gift of new shoes with a child who has never had a new pair or has maybe never even worn shoes, is a moment of pure joy.

Some of the children who will receive shoes live near garbage dumps, where they scavenge for food and items to sell. They walk over trash and broken glass, risking cuts, infection and disease. Others must navigate dangerous terrain in search for water sources or cross hot, burning sands in desert regions – all without the protection of shoes.

For poverty stricken children in underdeveloped nations, a small cut on the bottom of a foot can be devastating, as it creates a gateway for infection to enter their small bodies, this can have long-lasting consequences such as crippled feet, disease, and in rare cases, death.

Thank God that such a simple idea – sturdy, durable shoes – has such a big impact on the health of children around the world.

THIS YEAR FOR CHRISTMAS YOU CAN SPREAD THE GOOD NEWS OF JESUS' LOVE PRESENTED AS NEW SHOES!

THIS CHRISTMAS YOUR GIFT OF SHOES CAN SAVE A LIFE

\$ 5 will provide 1 pair of shoes

\$ 50 will provide 10 pairs of shoes

\$100 will provide 20 pairs of shoes
