I ask that you give me a brand new start with hope for the future.
I ask that you come into my heart and be my Lord and Saviour.
In Jesus Name. Amen*

THE GIFT OF SEWING MACHINES

Remotely located in the province of Andhra Pradesh, we are situated a 27 hour drive south of the capital of India, New Delhi.

"Greetings, the Spirit of God be with you all and thank you very much to you and your Ministry. Here the Petruaripalem congregation members are conveying their prayer regards to you and all members of your team." *Brother Timothy Manoah.*

At the cost of \$150, a Sewing Machine sets a women free from the bondage of poverty and enables her to have her own business.

In India because it is low cost, many people buy fabric then have a seamstress sew clothes for them. Therefore Sewing Businesses are common but to be successful one must have expert training and be able to operate unencumbered by crippling debt.

These thankful women are given the same top quality Sewing Machine that they learn on which enables them to set up a business from home, making garments, do repairs and alterations. Owning a debt free Sewing Business allows these women to earn a good income that permanently blesses and assists them and their families.

YWAM MEDICAL SHIPS PNG AUSTRALIA

www.ywamships.org.au

AUSTRALIA'S NEAREST INTERNATIONAL NEIGHBOUR

In a nation where 43% of the population is under the age of 15, one in four Papua New Guinean children will not live to celebrate their 40th birthday.

Delivering basic services in Papua New Guinea poses enormous challenges with many communities scattered over rugged terrain, complex river systems, vast expanses of ocean, and an extensive coastline – just a few hundred kilometres from Australia's coast.

The ship helps overcome the challenge by accessing isolated communities with medical specialists, supplies, health services and mentoring and support for rural health workers. We serve throughout the Southern Region and Huon Gulf

We are always looking for medical professionals, marine professionals and a variety of crew support team members who are willing to do anything!

All of our staff – even including our Managing Director – are 100% volunteers, which is a great way to ensure that everyone is in it for the right reasons and also to make your donations and contributions have a maximum impact on the work done!

On YWAM Medical Ship you will have an 'adventure filled' opportunity where you can make a real difference and experience the beautiful Papua New Guinea culture.

a sailing hospital, a vessel of hope

The ships are state-of-the-art facilities that offer clean water, reliable electricity and care centres. Because over 50% of the population lives within 100 miles of the coast, we're able to sail a modern hospital ship with a crew of 450 volunteers directly to people who lack access to first-rate medical care.

Operating around Africa, Mercy Ships is an arm of YWAM Youth With A Mission, which is a non-denominational Christian hospital ship that has transformed the lives of more than 2.42 million people in the least developed countries for over 35 years.

Africa Mercy (deployed 2007) draws its crew from a range of people and everyone is a volunteer from the Captain to the cleaner, so whatever your skill and talent, we have a place for you.

How You Can Partner

OPERATION EXODUS

www.operation-exodus.org

Operation Exodus is a ministry of Ebenezer Emergency Fund International, a Christian organisation called by God to help Jewish people return to Israel in fulfilment of Biblical prophecy.

The regathering of the Jewish people is an awesome display of God's mercy and grace in these days. After almost 2,000 years God is bringing Israel back to its historic homeland just as He promised He would.

"Thus says the LORD God.. I will take you from among the nations, and gather you out of all countries, and bring you into your own land" Ezekiel 36:24

Our humanitarian aid programme provides practical support and comfort to the poor and needy in the Jewish communities around the world.

HERITAGE OF FAITH CHRISTIAN CENTRE, PORT LINCOLN SA

PROCLAIMING JESUS, BLESSING OTHERS

www.heritageoffaith.com.au/port-lincoln

THE MISSION

Preaching the Gospel and building links.

Our primary ministry focuses on the indigenous Australians. Through love, compassion and nurturing, our aim is to facilitate the love of Jesus in a variety of practical ways.

THE VISION

Facilitating reconciliation of man to Jesus first and then man to man through the Power of the Gospel of Jesus Christ and the authority of the Word of God.

Changing hearts, changing lives through Jesus Christ.

Our focus is on bringing Jesus to the people of this land; Jesus first in their hearts, He heals their wounds and brings life to their hearts and healing to their families.

*And God is able to make all grace abound toward you,
that you, always having all sufficiency in all things,
may have abundance for every good work" 2 Corinthians 9:8*

**PEOPLE DON'T CARE HOW MUCH YOU KNOW
UNTIL THEY KNOW HOW MUCH YOU CARE**

OUR VISION INCLUDES

- The provision of a building to operate the Church fellowship as well as a living community centre. The building is to provide 500 seats for the fellowship meetings as well as areas for safe interaction for people needing support.
- A self-sustaining farming property that offers healing and teaching to those lost, addicted and/or shackled to oppression. The vision will be for these people to be healed as well as their family members, so that the entire family unit can again function in the love and reconciliation of Jesus with each other. The facility will use the love of God and authority of Jesus in our lives to bring healing, health, and life abundantly to the hungry and hopeless, the oppressed, and the lost.

In April 2016 our anointed bus arrived to enable us to spread the Gospel of Jesus Christ far and wide!

AS WE HAD PRAYED, BELIEVED AND AGREED IN JESUS NAME - SO IT IS OURS!

OUR CURRENT PROGRAMS INCLUDE

- Ladies prayer and teaching time - pray for each other, our families, our communities and the authorities of the lands
- Men's camps - taking men back to the land and connecting The Word of God to their lives
- Feeding the community every week after Church
- Support to help achieve lifestyle steps such as driver's licenses, housing, travel education, etc.
- General basic supports to sustain family life such as food packets, clothing, furniture
- Funerals, emergencies, children's needs, etc.
