

"If you have never had a relationship with Jesus, or perhaps you did once, but you're now away from Him, right now we want to encourage you to pray this prayer:

*Lord Jesus, I repent and ask that you would forgive me of my sins.  
I ask that you give me a brand new start with hope for the future.  
I ask that you come into my heart and be my Lord and Saviour.  
In Jesus Name. Amen*

If you prayed this prayer, for the first time, please contact us and tell us about it, we are excited for you and we want to give you a FREE mini book to get you started winning in life".

Reaching Out Beyond Yourself

## ISRAEL

50th Anniversary of Jerusalem's Liberation

This new logo incorporates many symbols in a stylized number 50, the lion, the harp of David, the Israeli flag, the Western Wall and the Temple Mount.

The logo is gold, the traditional symbol of a golden anniversary. *50 years since liberation and reunification, Israelis will celebrate this year, but so will many Christians.*

## JERUSALEM DAY 2017

*Celebrating the miracle of Jerusalem Day.*

*A day filled with gratitude to the Almighty, commemorating the reunification of Jerusalem and the establishment of Israeli control over the Old City in the aftermath of the June 1967 Six-Day War.  
The Jewish people recognise God's role in their destiny.*

Recently I participated in our annual Bridges For Peace Institute of Israel Studies in Jerusalem during the visit of President Trump to Israel. Trump's uncompromising support of Israel was welcomed throughout the land, which he left only hours before the beginning of Jerusalem Day, when 80,000 thousand people rejoiced with uninhibited passion at the Jerusalem Day parade to celebrate 50 years since the reunification of Jerusalem during the 1967 Six Day War.

My thoughts as I relive these events are of uncompromising commitment and passion evident in the pro-Israel declarations of Trump, and in the exuberant crowds of flag-waving young Jewish Zionists. I thank you warmly for your faithful support of Israel and the Jewish people, and pray that your own passion and commitment to stand with Israel will remain strong.

## ISRAELIS ARE PEOPLE HELPING OTHER PEOPLE BY SHARING THE WEALTH OF KNOWLEDGE GIVEN TO THEM BY GOD

*Below are just some areas Israelis have excelled at and the world has benefited*

### TECHNOLOGY

Israel EdTech Summit had delegates from 16 countries and the online cybersecurity education emerged as one critical topic in a first-of-its-kind industry discussion.

### HEALTH

Israeli scientists discover an abnormality in Multiple sclerosis neurons' protective membrane which may enable the immune system to launch a mistaken attack. The next step is to find a way to reverse the disease progression and find new techniques for early detection.

### ENVIRONMENT

Israel could not have made the desert bloom without its incredible innovations in water technology. As the world becomes more aware of the importance of conserving water, they are turning to Israel for exports and expertise.

### CULTURE

Award-winning Israeli film is bound for Broadway. 'The Band's Visit' debuts this fall on The Great White Way, telling the story of an Egyptian police band that gets stranded in an Israeli desert town.

# ISRAEL - YOU SHALL BE A BLESSING

"And I will make of thee a great nation, and I will bless thee, and make thy name great; and thou shalt be a blessing ... and in thee shall all families of the earth be blessed". Genesis 12:2-3b King James Version

Some 4,000 years ago, the Lord made a promise to Abraham and his descendants. Today we see its partial fulfilment in the countless ways in which Israel blesses the nations of the earth.

## INTERNATIONAL AID

April 2015 Israel's aid team to the earthquake battered Himalayan nation of Nepal was one of the largest in manpower of any international aid mission.

Over 250 doctors and rescue personnel were part of an IDF delegation that were sent to the Nepalese capital, Kathmandu, in the wake of the magnitude 7.8 earthquake that devastated large swaths of the mountainous country, killing at least 5,000 and leaving some 8,000 wounded and tens of thousands seeking shelter and food.

Israel's aid convoy to the quake stricken nation is the largest ever sent by the IDF overseas. Israel has also deployed field hospitals to Haiti, the Philippines, and Japan in recent years following natural disasters.

A tiny country with a huge heart, Israel has a longstanding commitment to help those in need. "Every year with little fanfare and sometimes very little press attention, Israelis find solutions to humanitarian efforts and international development programs and offer relief to some of the most pressing problems of our times".

"Rejoice with Jerusalem and be glad with her, all you who love her" Isaiah 66:10a

Fifty years ago, in 1967, Israel would finally find the autonomy and unity it had not enjoyed for millennia. In six days, enemies would be defeated and Jerusalem would be under Jewish sovereignty for the first time in nearly 2,000 years.

Interestingly, 1967 also marks the birth of the Charismatic movement in Christianity. This movement, nearly as controversial as Protestantism in Luther's day, is recognized by many as a global move of God, renewing His Church and calling Christians back to a true relationship with Him. It was on the heels of that revival that God began to awaken Christians to the prophetic significance of Israel and the Christian responsibility to stand in solidarity with Israel and the Jewish people.

2017 has a story to tell. It's a story for Christians, for Jews and for the entire world. It is the story of the God of Abraham, Isaac and Jacob and His faithfulness to keep His promises. It is also clearly a story of reconciliation and cooperation as God has worked concurrently in the Jewish and Christian communities throughout history, using both to set the stage for His mighty work of the redemption of mankind. It is a story of the pain of the past and the hope of the future, of a God who is alive and active in our modern world and who won't be finished until every promise in His book has been fulfilled.

SHALOM—Peace,  
Nothing missing, nothing broken"

# CITY OF THE GREAT KING

As Jerusalem is celebrating her 50th anniversary of reunification as a united city under Jewish Sovereignty in 2000 years and entering into this first Year of Jubilee, we proclaim the Lord's favour, comfort, and provision over her.

May His crown of beauty and garment of praise shine and the oil of gladness flow in Zion (Isaiah 61:2-3).

In the midst of worldwide disasters, turmoil and tensions, we rejoice with His people (Romans 15:10) and bless the city of our Great King (Psalm 48:2) with hope for a glorious future!

*Aliyah is the word for the immigration of Jewish people from the Diaspora to the Land of Israel. The word in Hebrew means ascent and is defined as 'going up' – progressing towards Jerusalem.*

*Olim means Jewish immigrants to Israel – those making aliyah. In the singular, a male immigrant is called an oleh and a female immigrant an olah. Potential olim are those our teams contact and encourage to make aliyah.*

## PRAYER

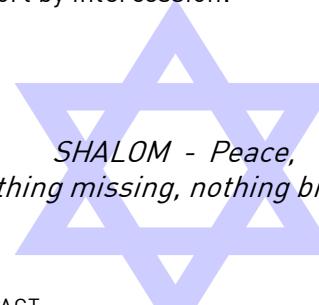

### Jerusalem – The City of Victory!

*'On that day, when all the nations of the earth are gathered against her, I will make Jerusalem an immovable rock for all the nations. All who try to move it will injure themselves'. (Zechariah 12:3)*

Many countries are working against God's purposes for Israel and its capital and want to divide it, often out of ignorance of Scripture. Others appreciate the Jews' contributions to their nation and urge them to stay and not to go home. But the Lord dwells in Zion (Joel 3:21) and judges the nations for their attitude to action over Jerusalem.

### PLEASE PRAY FOR

Our governments to freely allow the Jewish populations to make aliyah and national prayer ministries to give support by intercession.

### Jerusalem – The City of Aliyah!

*'The Lord builds up Jerusalem; he gathers the exiles of Israel.' (Psalm 147:2) As the Lord chose Jerusalem to be His holy dwelling He desires His people to live with Him. There 'they will be my people, and I will be faithful and righteous to them as their God' (Zechariah 8:8).*

### PLEASE PRAY FOR

The olim to learn the language, get training, find work, build homes, and worship God in safe and peaceful Jerusalem.

### Jerusalem- The City of Salvation!

*'O Jerusalem, Jerusalem ... you will not see me again until you say, 'Blessed is he who comes in the name of the Lord.' " (Matthew 23:37-39)*

God is compassionate about Jerusalem and desires His people to welcome Him back there as Messiah.

### PLEASE PRAY FOR

The Spirit of wisdom and revelation on Israelis to come to know God better (Ephesians 1:17).
