

*For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be called Wonderful, Counsellor, The mighty God, The everlasting Father, The Prince of Peace.
ISAIAH 9:6 KING JAMES VERSION (KJV)*

If you have never had a relationship with Jesus, or perhaps you did once, but you're now away from Him, right now we want to encourage you to pray this prayer:

***Lord Jesus, I repent and ask that you would forgive me of my sins.
I ask that you give me a brand new start with hope for the future.
I ask that you come into my heart and be my Lord and Saviour.***

**WATER TANK FILTRATION SYSTEM =
CONSTANT SUPPLY OF CLEAN WATER
= GOOD HEALTH**

FROM STEPHEN DARBY

Our next major project will be the purchase and construction of a water tower complete with tank and filtration system to supply the home with a quality water supply.

The reason for the water tower is that we have a lot of power outages here and we are currently drawing water from a well using electric pumps which means **No power = No water.**

The cost for the water tower system is between \$5,000 and \$6,000 that includes a filter to give a better quality of water.

CHRISTIAN BLIND MISSION

www.cbm.org.au

LOVE IN ACTION

Here at CBM, we are devoted to transforming the lives of the world's most overlooked and neglected people, just as Jesus did when He was on earth.

As an International Christian development organisation, CBM has been following Jesus' example of inclusion, hope and justice in our work for over 110 years.

Our Christian faith is founded in love and love never gives up. That's what underpins our determination to reach those who are the hardest to reach, invisible and forgotten, leaving no-one behind.

An inclusive world in which all persons with disabilities enjoy their human rights and achieve their full potential.

When you help people living with disability to earn a better income, you enable them to provide for themselves and their households. This means stronger and healthier families and communities.

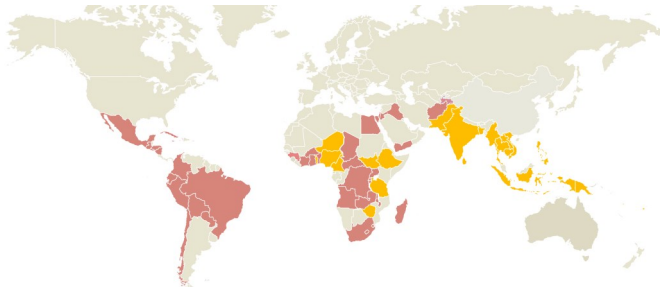

Where we work

CBM has Member Associations in 11 countries, including Australia and funds hundreds of diverse projects on four continents and works in conjunction in 25 other countries with like minded aid agencies.

Australia, Germany, Canada, New Zealand, UK, USA, Italy, Switzerland, Ireland, Kenya, South Africa

Also in conjunction with other aid agencies in

Cameroon, Niger, Ethiopia, Nigeria, South Sudan, Tanzania, Togo, India, Zimbabwe, Bangladesh, Cambodia, Thailand, Indonesia, Laos, Myanmar, Pakistan, Timor, Philippians, Sri Lanka, Vietnam, Fiji, PNG, Samoa, Tonga and Vanuatu

GIFTS THAT KEEP ON GIVING

**You can give any \$\$ amount towards these projects*

A GOAT

Helping someone with a disability with the gift of a goat means they will have a regular source of milk added to their diet and manure to grow more nutritious food.

A GOAT = \$55

Buy a goat and contribute to a long term poverty-fighting project.

Milk and cheese for food, fertilizer for the soil for crop growing.

The milk and cheese are great but the gift of a goat is also a real economic benefit to rural families.

Breeding goats helps gain extra income to spend on health, education and other family needs.

GOATS AND CHICKENS = NUTRITION AND INCOME

CHICKENS FOR 5 FAMILIES

You can provide a new source of income and more food for 5 families living with disability, through the regular supply of eggs.

CHICKENS = \$65

Rearing chickens provides extra food and income for families facing poverty.

Eggs to eat, trade or sell and also breeding and selling baby chicks at market.

Each family receives 3-5 chickens depending on the size of the family.
