

Week in Review

BELLS ISD OCTOBER 11, 2019

BY TRICIA MEEK, SUPERINTENDENT

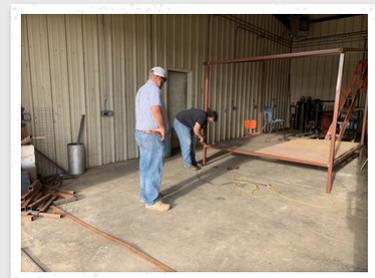

BES STUDENTS HONOR CUSTODIANS

The week of October 7th, BES students and faculty celebrated the great work their custodians do on the campus. Mr. D, Mr. Charlie, and Ms. Tammy work so hard to keep the school clean and shiny. In addition, these three show love and support for our students every day with high 5s, encouraging words, and tons of fist bumps! What a blessing our custodians are to Bells ISD! The campus wrote notes of appreciation and posted on the custodial office door.

PJH HOSTS BREAKFAST FOR NEW STUDENTS

Mrs. Stubbs recently coordinated a new student breakfast to welcome all new junior high students to Bells ISD. Students were able to introduce themselves and get to know one another. This is an annual event at PJH and one that has definitely made an impact on new students to the district. Thank you Mrs. Stubbs for coordinating this event.

CTE PROGRAMS AT BHS PROMOTE LIFE-LONG SKILLS

Welding students in Mr. Matt Parker's Ag Mechanics classes are already busy designing and building new projects. Two BHS seniors are extending their learning from the high school and going out to Grayson College to take additional welding courses in order to earn welding certification. The Bells Ag Mech program has been strong for decades, and many graduates over the years have used this life-long skill in their chosen careers. Mr. Parker desires to continue this long-standing tradition.

BELLS ISD RECOGNIZES BOOSTER CLUBS- CLICK HERE

Oct. 25th - Panther football at Blue Ridge and Volleyball at Blue Ridge

Oct. 29th - Vaping Presentation at Secondary Campuses

SHOUT OUT TO CUSTODIANS, THE LUNCH BUNCH, AND BUS DRIVERS - OUR SUPERHEROES

October is a month we celebrate three very important groups in our school system - school custodians, cafeteria staff, and bus drivers. In Bells, we have the best around when it comes to a staff of people who keep our facilities spic and span, our students safe to and from school each day, and cook up yummy meals to sustain us. While we know how important these employees are, we often take for granted just how special these individuals are to our success. Without them, transportation for our students would be seriously impacted, and our campuses wouldn't be ready for learning each day. We truly do value each and every person who fills these critical roles in Bells ISD, and we want you to know just how much we appreciate your service to our students and staff. YOU are the unsung HEROES, and we salute you! Bells ISD will host a special breakfast on October 21st to honor these employees for their hard work and dedication.

COMMUNITY CONNECTION LUNCHEON

Bells ISD will host a luncheon in early November for community members, businesses, and civic leaders. We want to share the great activities happening in Bells ISD as well as foster positive partnerships with individuals in this community who desire to get more involved with the school system. Please reach out to Tricia Meek if you are interested in receiving an invitation to this luncheon. We want all who are interested to be included. Contact Mrs. Meek via email at tnmeek@bellsisd.net.

OPTIMISM IS KEY!!!

See and share 'The Greatest' Pas...

The Foundation for a Better Life | Pass It On.com

"What we believe matters. Optimism is more than just a positive state of mind. It's also a competitive advantage. While the pessimists are complaining about the future, and the realists are talking about it, the optimists are working hard to create it." --Jon Gordon
