

IMPORTANT NOTICE

From the State of Texas 2019/2020

RE: Meningitis VACCINE required for College Students under the age of 22

The State of Texas Senate Bill 62 requires students under the age of 22 to be vaccinated against Meningococcal disease. (Effective January 1, 2014) The Meningococcal vaccine must be received 10 days prior to the semester and not more than 5 years since it was received. Some colleges require a second Meningococcal Booster.
