Hobby: Sports
Animal: Dolphin
Subject: History

VARSITY FOOTBALL PLAYOFF GAME

The varsity football team will play this Friday, November 19th against Eastland for the Area Title. The game is in Boyd, TX at 7:30 PM.

GO PANTHERS!

PJH HOOPS

The girls' basketball teams played their season opener in Gunter yesterday. All three games were close resulting in two losses and one win. Keep working! The boys' basketball teams will play Gunter tonight in Bells at 4 PM.

See you there!

MS. PATTERSON'S ARTIST SPOTLIGHT

Student: **Berit Durham**

Grade: **6th Grade**

Artwork: **Acrylic Painting**

Artist Statement: "I created an acrylic painting of my great grandmother. To make the lace on her top I used a sponge brush. She's wearing a dark turquoise and gold necklace and earrings set. The outfit she is wearing is the same as when she went to my mom's wedding. To make her stand out, I stuck to cooler tones in the background. To make the carpet and grass, I dabbed the poster board with a lighter color and then went back with the original color to blend it out. For the flowers, I did the same thing but with more colors. For the vase, I first went in with a purple-ish beige and then went in with some gold paint over that. For the clouds I first put white down, then I put grey underneath and blended it. Though it's not perfect, it came out just how I wanted."

CAN FOOD DRIVE

This year's can food drive is by far the biggest one yet! Altogether you donated 1,667 non-perishable food items to our local food pantry. Coach Craig's advisory won the competition by donating 620 items. The food pantry was very appreciative of all your hard work. With your donations, we provided many families in need with items that will make a fabulous holiday meal.

CEREAL BOX MATH

Mr. Brewer's advanced math class has been working hard. They used math concepts to design cereal boxes. The front, back, and sides of these boxes were filled with games, brain-teasers, activities, and more.

TEACHER SPOTLIGHT: MR. BREWER

Mr. Brewer is our 6th grade Math teacher. Not only is he a great teacher, but he is a patient, determined, and hardworking. An interesting fact about him is that he has saved 53 people from drowning. Mr. Brewer's personal philosophy is centered on Matthew 22:37-40, which states, "Love the Lord your God with all your heart and with all your soul and with all your mind. This is the first and greatest commandment. And the second is like it: Love your neighbor as yourself. All the Law and the Prophets hang on these two commandments." Mr. Brewer cannot resist eating cookies and his favorite thing to do is to play the guitar. When he was 13, he wished someone would have told him that you don't have any real problems yet, and tape will keep your fingers from bleeding when you play guitar. True leadership is to be willing to take responsibility and stand by your decisions. To Mr. Brewer, success is measured by how many people you have helped. The best place he has traveled is to Carlsbad Caverns, New Mexico. If you are a struggling student at PJH, he would tell you to practice, practice, practice. He is inspired most by his Dad, because he is always there for him. Mr. Brewer's greatest accomplishment is receiving his black belt.

These are **some of his favorites:**

MUSIC GENRE: Rock-n-Roll

TV SHOW: The Middle

FOOD: All types

MOVIE: Napoleon Dynamite

COLOR: Blue

BOOK: Rainbow Six by Tom Clancy
